

STATEMENT OF FAITH

By Rabbi Simon Altaf Hakohen

www.african-israel.com

We are true Y'sra'elites from all backgrounds, Yahudim of Sephardim, Ashkenazim, Middle-Eastern, South-Asian, Asian and African walks and ethnicities believing in Guarding of the Torah of Moses as the everlasting law of G-d which is subsequently illuminated through the prophets (Tanak). The true faith has been and will always remain as (The Way), the Hebrew Israelite faith with Torah at its heart and soul. One is born a genetic Lewite but one cannot become a Lewite by conversion. However you can become an Israelite by conversion by your **FREEWILL** and choice. We reject the New Testament as inspired. We also reject any claimed Messiahship of Yeshua/Jesus. He fulfilled none of the prophesies required specified in the prophets of Y'sra'el.

Any colour of skin can engraft into genetic Israel, we can help you to become an Israelite even if you were not born one and you can have a guarantee for eternal life in the G-d of Israel through His voice the Torah and Mitzvoths upholding the contracts given to our forefathers. This is done by being born of above as long as you Guard and Do the commandments as outlined in the Torah, prophets.

Tehilim (Psalm) 19:7 The Torah of YHWH is complete, converting the soul: the testimony of YHWH is trustworthy, making wise the simple.

The Torah is complete with all the instructions. No need for any further gentile dogma. Moses is our prophet and supreme leader who led the Israelites out. We expect the Messiah to come in the future to restore the tribes back and bring world peace.

We wear head coverings of appropriate choosing by the individual, tzitzits or fringes on the four corners of our garments as commanded by YHWH, keep beards and circumcise our sons on the 8th day to enter into the Abrahamic Contract/Agreement. Those who do not circumcise have no part in the Abrahamic Contract with us. Females are not permitted to circumcise nor wear tzitzits.

The new male reverts or converts to the Hebrew faith should circumcise within one year after their conversion and keep the basic minimum Torah laws to start with such as kosher eating of animals to enable table fellowship with fellow brothers and sisters. Men and Women both should dress modestly with head coverings as mandatory during worship.

There is only one way of rescue/redemption because the G-d of Y'sra'el did not change his mind every few centuries, which is by obedience to YHWH's voice, His Torah and accepting of the contracts therein. He gives his contracts and we must obey Him end of argument.

Deuteronomy 6:25 And it **shall be our** right-ruling, if we observe to do all these commandments before YHWH our Elohim, as he has commanded us.

Deuteronomy 30:6 And YHWH your Elohim will circumcise your heart, and the heart of your descendants, to love YHWH your Elohim with all your heart, and with all your soul, that You may Live.

The Contract/Agreement is with two parties identified as the House of Israel and the House of Judah collectively called Beyth Y'sra'el. There is no third party called the Church. It has no authority, no Messiah and no G-d.

The contracts require us to hold fast to the written Torah.

Our code of prayer - We pray 2 times daily was the commanded in the Torah/halacha, for the daily two sacrifices. The Ten Commandments are to be recited twice daily with The Shema. Read Deut 6, Ps 55 and Dan 6:10 for this. Women need only pray one times a day per halacha.

The Amidah prayer alongside other petitions and homage paid to YHWH are illustrated in our African-Israel Siddur that may be purchased from Amazon online or Barnes & Noble. We encourage all our members to learn to wear the Tefillin on their arm and foreheads daily apart from the Sabbaths. This is a commandment. We agree with the 13 principles of the faith and the shemoni esri. All members must adhere to the African-Israel siddur for their daily prayers. We reject almost all traditions arisen out of rabbinic Judaism except those that have a Torah backing.

All our petitions are to be done facing Jerusalem and if you are not sure ask one of the Rabbis.

We take our submission to YHWH seriously and discourage converts unless they are serious. We do not believe Yahushua as the Messiah, as this is idolatry and entering into avodah zara. We hold fast to the Tanak only. Obeying Abbah's voice grants us unmerited favour and eternal life with physical health. We reject Christendom's man-made statements and catechisms as utter foolish acts of men.

Shema Israel YHWH Eloheinu YHWH Echad

Debarim 6:4 (HTHS) Hear, O Y'sra'el: YHWH our Supreme One YHWH is Akhad:

The Great Ein Sof, the G-d, the Master of the universe, Adonai YHWH is the one and only true G-d. He is the Creator of all things, (Gen 1:1-31).

Abbah YHWH is perfect in set-apartness, infinite in wisdom, measureless in power (Deut. 32:4 and 2 Chronicles 16:9). He is the head of all in heaven and earth, the supreme authority, and his personal name YHWH (Exodus 3:14) is unchangeable.

The Messiah has not come yet, we wait his coming to bring world peace (Isaiah 2:4) and unite all the tribes of Israel (Isaiah 43:5-6).

3. **The Ruach Ha Kadosh (Holy Spirit)** is to teach us the truth of Abbah YHWH's Torah by convicting mankind of sin and to pursue right-ruling living according to the Torah. She illuminates G-d's Word to the believers (Prov 8). The Holy Spirit reveals the feminine aspect of G-d. The immersion is taken physically under oath to uphold the Torah before one can become a Torah believer. The seed of G-d is planted by the Holy Spirit received from Abbah YHWH to place inside us a spiritual act known as the birth from above, Deut 30:6.

Adam was created in the image of G-d and by the direct act of G-d (Gen. 1:26-27). We are all the children of Adam but not the children of G-d unless we have the new birth through Torah Deut 30:6. We do not convert to anything but to continue in the Torah of Moses. If we are wayward Hebrews genetically and or gentiles then one needs to accept the Torah and uphold it and believe in the prophets sent by Abbah YHWH Deut 18:15/18. We agree with Judah's decrees established while they were in Babylon and in the first century with the precepts of the school of Elder Hillel, the more we do the more we get practiced. This means African-Israel members at least adhere to halacha setup by the sages such as Elder Hillel, Judah ha Nasi who codified it in the mishnah.

Heaven is the place of G-d's dwelling. We do not go up but He will come down. In Y'sra'el as His kingdom will be established there in the future. This will be when G-d will be King over all the earth Ps 47:7.

5. Here is only one sacred text and that is the Tanak, we reject the NT as writings of Rome, not trustable nor fit for purpose. The book of Yashar, Enoch and others pseudoepigrapha fall in the important list for us to study and our part of our history but not sacred.

We believe G-d's word is without error in the original language of Hebrew and Aramaic. By G-d's sovereign grace, the manuscripts which are accepted by Orthodox Judaism have been preserved to this day without substantial error, so that the Scriptures available to the believer today may be relied upon to be G-d's sacred Word. G-d's word does not change and or gets abrogated (Mal 3:6). He does not send more books through unknown people unverified by the Temple authorities as many believe today.

6. **Feasts and sacred days** - The weekly Sabbath the original Enochian Calendar with the day falling on a sunrise to sunset, the new moons, the seven annual feasts, the seven yearly Sabbaths and the Jubilee (Not celebrated until the 12 tribes are restored in Israel) are fundamental commandments, must be believed and kept to the best of our ability wherever we live. We reject any form of lunar weekly Sabbath. We observe and only believe in the Sabbath sunrise to sunset as decreed and agreed by our forefathers which were also practiced by the Tzadokian Lewite priests (Essenes) in Judea. Some do the sunset to sunset Sabbath Friday to Saturday which was enacted by rabbinic custom during the Greek invasion.

The Lewites are the forever teachers of YHWH and they instruct right-ruling Yahudah how to conduct the laws of the Torah for the rest of Y'sraél. All must submit to the laws.

Mal 2:4-6 And you shall know that I have sent this commandment to you, that my Contract/Agreement might be with Lewi, says YHWH of Armies. 5 My Contract/Agreement was with him of life and shalom; and I gave them to him for the fear wherewith he feared me, and was afraid before my name. 6 The Torah of truth was in his mouth, and iniquity was not found in his lips: he walked with me in shalom and equity, and did turn many away from idolatry.

7. **Future events are taught in Scripture.** These events include the judgment of the nations, the restoring of the twelve tribes to the land fully with the House of Ephraim (the northern tribes) to be gathered so both Judah and Ephraim become one flock and the establishing of the literal earthly kingdom. The nation of Israel restored (Deut 30:3; Isaiah 24:23; Zech. 14:4), followed by the resurrection and judgment of the unruly and the ushering in of the eternal state. We believe the time now is short for the coming of the Messiah.
8. **G-d has made** an eternal contract/agreement with the twelve tribes. (E.g. Genesis 17:7; Jeremiah 31:35-37). These were all people of colour. Ashkenazim became converts to our faith in the 8th century CE in Khazaria near the Black Sea fulfilling the prophecy in Gen 9:27 of taking over the land and calling themselves The chosen. However Torah following Jews will see rewards and can still be redeemed as instructed by the Torah.
9. **We believe** the Torah stands forever, without Torah G-d cannot judge sin and without Torah, the Messiah cannot be known and with out Torah there is no right-ruling and no salvation. Torah not only reveals sin but also reveal right-ruling and how to live it. Deut 4:6 and Deut 30:19. Torah is life. If you reject Torah you have accepted DEATH.
10. **We believe G-d has revealed the end from the beginning (Isaiah 46:10)**

so we cannot discard Torah, the law and the beginning and call it only for the Yahud, this kind of theology is not acceptable to us because G-d has declared that "My Council stands." The contract/agreement on Mount Sinai was made with the twelve tribes and subsequently renewed at Mount Nebo Deut 29:2, which our sages recognized as the NEW contract/agreement.

11. We believe attested by the Tanak that Israel's lifestyle was **Patriarchal Marriages with a mixture of Biblical monogamy**, the ancient pattern of our Fathers. We believe G-d is restoring the ancient patterns that our forefathers such as Abraham, Isaac and Jacob established and believed in and practiced freely. They placed two wives in the north/south divide and the ruling son was taken from the Northern wife to rule the land. This lifestyle is acceptable for all believers. Some may choose to stay in monogamy as they cannot afford more than one wife or already have sons and daughters this is hachikly accepted.

We do not encourage the practice of asceticism because the very first commandment in Torah is to "Be fruitful and multiply."

12. We believe in protecting G-d's most sacred name when we are in an unfit or unclean state ritually and not to profane it by speaking it to the gentiles, who do not yet know how to handle it. However we use it freely in our homage to the Abbah. When we disobey Torah we are also then guilty of profaning his name.
