

## **Are we allowed scripturally to marry a foreign wife? By Rabbi Simon Altaf Hakohen**

9<sup>th</sup> Feb 2010

Updated 26, Feb 2015

### **HTHS: All quotes from the Hidden-Truths Hebraic Scrolls**

The Torah the law of YHWH only prohibits us not to marry into 7 nations that are mentioned in Deuteronomy 7:1-4.

1. Hittites
2. Girashites
3. Amorites
4. Cannanites
5. Perizzites
6. Hivites
7. Jebusites

**Deut 7:1** When YHWH Your POWER shall bring you into the land where You go in to possess it, and He has cast out many nations before you, the Hittites, and the Girgashites, and the Amorites, and the Canaanites, and the Perizzites, and the Hivites, and the Jebusites, seven nations greater and mightier than You;

**Deut 7:3** Neither shall You make marriages with them; your daughter You shall not give to his son, nor his daughter shall You take to your son.

All 7 of these nations are today extinct or merged into other nations and we cannot be sure who is who any longer, therefore we cannot really say for sure not to marry into such and such nation. We do know that the Jebusites do exist in Nigeria in the Yoruba tribe so perhaps the injunction can apply to us not to marry into the Jebusites of Nigeria.

Therefore my advise to most of my fellow brethren is to get a foreign wife who will love you and submit to the G-d of Israel.

One culture that I can highly recommend is the Chinese Culture. At the end of this article I give you the details for a marriage agency in Qingdao if you would like to connect with them wanting to marry in China and why a Chinese wife is the best wife suited to you in the west. I would say equally a Thai or Philippine wife may be good but I have more information on China than the other two. I do know many Filipina women are Catholic and are not suited to be converted to Judaism the faith of our forefathers.

I had some Hebrew ladies felt offended as to why I did not recommend them in the USA. Let me be very frank, the black Hebrew women in America are a mess. There are a few good women there that will for sure make suitable wives and a Hebrew brother should seek his own country first but the rest I have found are not interested in Torah or the laws of G-d. They are into all sorts of wicked Christendom theories and conspiracy theories galore. Most do not want a right-ruling man but want to dictate to the man how he should behave.

There is very few of them that want to submit to the Torah, the rest are no different to the local Canaanites aka Americans, they lie, they cheat their men and they do not want to establish a good home. I do not say it out of jest but I have personally witnessed this behaviour up close with some Hebrew men who have been left in the cold in cases of adultery by their so called Hebrew wives. The women may complain the men are bad but the men say the women are bad so...

### **Let's head east.**

Head to China

Some of the Chinese people are true Hebrews, just because they look Chinese it does not rule them out.

Most of the Chinese women there are either into no religion or are mildly Buddhist. If you love your wife I can guarantee you that she will follow and serve the G-d of Israel. This model has been already perfected by the Muslims who marry into foreign cultures to marry non-Muslim wives and then later convert them into their religion. Even British and US Caucasian women have converted into Islam like this therefore Islam has a lot of organic growth. The secret for us is to get organic growth and stop wasting time running around after disobedient women in the West. And by the way forget those Pastors who are clueless about G-d's law and do not know which woman to marry, they quote their falsehood NT Paulos' letter of 2 Corinthians 6:14 which has nothing to do with marriages but many Christians erroneously apply to marriage. Paulos another wolf in sheep's clothing well to be avoided.

**2 Co 6:14** (KJV) Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness?

In our case there is no biblical precept that says we cannot marry a Buddhist or a Muslim woman as long as she is willing to submit to the G-d of Israel, we have no restriction to marry. This is set in the law of G-d. Even the Patriarchs of our faith knew this. Jacob married to Rachel and Leah and neither was fully submitted to the G-d of Israel until after the marriage but they were obedient and humble women and this is what you need in a wife which you will get in the foreign culture and you will not find in your razzmatazz western culture. If on the other hand you want to marry a Christian Chinese then there are plenty of those too, note they too are usually more faithful than their western counterparts generally but Christianity the idolatry may be a stumbling block so if she desires to remove that idolatry from her of Jesus and follow YHWH then good, she can be your wife.

**Deut 21:11** And see among the captives a beautiful woman, and you find her attractive, that You would like to have her to be your wife;

The verse above does not just apply to a woman in war time but a captive could equally be captive in another religion and in another culture and if you like her and want to marry her then YHWH our Eloah fully approves for you to marry her. Noting that you are not to force your faith upon her but with time and love she will follow you as always there will be a period of courtship, which will allow you to see how she reacts to you and your faith. I have found the response of the Chinese ladies very favourable. The other ladies

that are good in this area are the Thai ladies. Thai ones usually are Buddhist but are favourable to the G-d of Israel as in my walk in the Eastern lands.

Note that King Solomon a right-ruling black king of Israel married the daughter of the king of Egypt but he did not force her to convert first. Understanding comes first and conversion next with love and humility they will obey you. Note not all of King Solomon's wives were into false worship, this is another Christian fallacy.

The Western women unfortunately a majority of them are not fit for wives as they are not only disobedient but refuse to obey the husband. Steer clear of such women if you want a peaceful life. They have been infected with the spirit of Lilith.

**First Kings 3:1** And Sulahmon made an alliance by marriage with Pharaoh Sovereign of Mitzrayim (Egypt), and took Pharaoh's daughter, and brought her into the city of Dawud, until he had made an end of building his own house, and the house of YHWH, and the wall of Yerushalim roundabout.

We also must not compare ancient eastern women in Israel with modern eastern women as there was then a strong affinity to local deities and tribes but today the world is a much different place unless you go and marry a woman in Islam.

Also it was by our forefather the Negro Abraham whose servant/son Eliezar was given an oath to go find a wife for his brother Isaac, note Rebecca knew about the G-d of Israel but was not a convert until later. There were no forced conversions. The same principle applies today, Abraham sent his servant to another country so you better be ready to travel abroad if you want a decent wife or if you think you can find one locally in Canaan (America) then its your choice.

**Genesis 24:3-4** And swear by YHWH, the Elohim of shamayim and the Elohim of the earth, that you will not take a wife for my son from the daughters of the Canaanites,<sup>1</sup> among whom I dwell: **4** But you shall go to my land and to my mishpacha (family), and take a wife for my son Ytzhak.

Africa should be your first stop Abraham's home and if not successful there then move on.

### **What do I do if I want to marry a good Chinese wife?**

There are a number of agencies in China but one I know personally in the North-west of China called Qingdao. This is a one hour flight from Beijing. When you decide to marry a woman there you will need to prove your single status. In the UK this is fairly easy where you can get a single certificate from the local council and then have the two Embassies the Chinese and UK one to stamp it and notarize it and then that is all you need to go and marry in China. The same applies for the USA.

There are many beautiful girls there who are willing to travel abroad with the right decent husband.

---

<sup>1</sup> These people were idolatrous and would turn away Isaac's heart. Abraham took an oath from his son Eli'ezer for Ytzhak.

### **What documents are needed for a UK national for marriage?**

The local Chinese authority requires that you produce a document to show that you are free to marry. This is called a Certificate of No-Impediment (CNI) and can be obtained from the British Embassy in Beijing Consular Section or your local registrar in the UK for £30.

It should be stamped by the UK Foreign office in Milton Keynes and the Chinese Embassy in London Portland Place and then before this it should be notarized. By a notary. You can send this to a local agency and they can get both offices to stamp it for you for a cost of £100 saving you the trip.

Some places in China do not require the notary. You take this along with your passport and then your fiancée registers her details to the local office like her ID, health certificate from the hospital obtained before her marriage in order to marry and a permission to marry or to declare she is single. For women marriageable age is 20 years old and men 22. If she is younger then she needs permission from the parents.

Both: Single Status Certificate, (CNI)

You do not need divorce certificates but good to carry them with you if you are divorced or widowed.

If applicable, finalised divorce papers or death certificate of ex-spouse for the widowed

- Both: Birth certificate – Good to have of foreign national as well.
- Together: Three official style photos of the couple together – shops doing visa photos do these and know the correct format of them.
- Together: The fee of the local office.
- Chinese person: Household registration book residency (hukou)
- Foreigner: Passport (UK) or (USA)
- Foreigner: Notarised translations in Chinese of all originals not in Chinese (except the passport. There are official translators who provide this service in China.

When everything is completed satisfactorily, you will leave – as a married couple! You will either be given you marriage certificate as you leave or you might be asked to collect it in a few days. There is usually an office close by that can do the translations of your marriage documents the two red books one for each.

**One word of advise.**

The Chinese women are not into plural marriage so this is strictly for those who are espousing Torah monogamy, marriage with one woman alone. Even though the Bible has a model for us of plural marriage but my advise is its simpler and easier to stick to one wife if you do not have the finance for another. If you have the finance to follow the proper Israelite model of marriage then perhaps seek a wife locally or in the East with a woman such as in Indonesia or Malaysia as they may be more hospitable to plural marriage.

May the El of Y'sra'el guide you and increase those of you who obey His Torah.

### **What Else Have They Kept From Us?**

This book is as the result of an e-mail conversation with a person who asked me some questions and one of her questions upon my answer was "What else have they kept from us?" This was the question that led to this book because instead of answering people with small sections of answers, I decided the time had come that a book had to be written to answer and address everything as it happened from the start to the end so that many may see that the deception is real and it's a deep cunning deception which starts from your TV screens, in your newspapers followed by wherever you go in your daily life.

How would a person know that they are being deceived if they do not know what to look for? Its like a Ten Pound note well if you saw the original then you have something to compare the false note with but what if you were never presented with the original and always had the fake in your pocket then you will likely think the fake is real and this is how it is with Christianity today that is simply mixing paganism with truth. A false Ten pound note or a bad tender which will give you no value when you redeem it as I uncover it in the pages of this book. Who was Yahushua, the real Hebrews and Y'sra'el.

### **Patriarchal Marriage, Y'sra'el's Right-Ruling Way of Life, Methods and Practice**

How did the Y'sra'elites live? What form of marriage did they practice and how did they practice it? This book is about to show you what was Elohim's design from the beginning and how the Y'sra'elites lived within Elohim's required parameters. Today these things appear mythological but here we show you the methods and ways of how this lifestyle was practiced and is being restored in these last days while the much touted monogamy is wrecking lives and destroying families and society around us. How many marriages are breaking down as a result of the wrong model and how many children are living fatherless lives while women live husbandless and unfulfilled lives. This book will show you why the Greek and Roman monogamy model with a husband and a wife and a bit on the side does not work. While Elohim's model of plural marriage with Torah monogamy is an everlasting model that not only works but saves many children from losing their father's and women from losing good husbands.

### **The Scroll of Yahubel (Jubilees)**

### **Hebrew Characters, The Power to have prayers answered**

Have you ever tried praying and find that either your prayers take very long time to answer or they don't get answered at all? In frustration you ask other friends to pray for you in hope that you may get an answer from G-d soon.

I have given considerable thought about the condition of our people and how many languish in poverty, in situations where they seek for help because they are given false dogmas, put in religious bondage and slavery of the mind and heart.

Many times they make their own lives harder because they have spent so much time in the nations that they just want to live like the gentiles and not Hebrew as they are unaware how to benefit themselves that await them. I know it can be a lonely road at times. Our Abbah in the heavens feels our pain while we live in exile He sends the Em Chomah to be with us. He longs for us to return back to the contracts that we may receive all the increases and benefits that are only meant for us.

However we pass our life by with this that and the other person who gives us no joy but we think maybe if we carry on suffering things will change for the better but things NEVER change. This book was written to help for a time such as this to better the lives of our people. To empower them with the right petitions to give them benefits and increases in employment, love, marriage and sickness. This will help you break the spells of witchcraft, dealing with jealous people around you and personal anger issues. This will help you deal with demonic presences in your homes. This will show you how to receive a timely answer to all your prayers. I have used these methods for my students all over the world which have proven successful for them and have greatly benefited them.

It takes many generations for a right-ruling priest to be born in our generations. How many generations our people have suffered the scourge of the curses for not obeying the Torah? Many are still suffering. The Most High is going to raise his priests one by one

until we get our restoration complete. Rabbi Simon is of the priestly family born to help his people.

The Kohen is meant to be a benefit to the people of Y'sra'el and is one of the person's that has been given the authority to stand between the heavenly court and the earthly realm. Christian clergy has been lying to you for so long that you don't know what is good for you anymore. The Melezkadek priest's job is not to stand between the heaven and earth as you have been wrongly taught, his job is to be a King and serve justice on the earth with the Torah. While the Christian clergy teaches everyone can be Melezkadek this is not the truth. Only the Kings of Israel can right hold that title, its not for anyone else.

There is only one everlasting priesthood and that is the Lewitical one. This book has been written by a Lewitical priest of Beyth of Tzadok, its time you reap the benefits so decide wisely. Even if you are a gentile looking to become part of Israel by conversion the opportunity is open to you to obey the Torah.

I want you all to benefit and to receive what rightly belongs to you.

This book for \$100 a piece because everything in this manual would forever change your life once you put it in practice but I decided not to do that as my purpose was not that.

However this book is kept at a low price not for \$100, no, not even \$50 but for a price of \$27 only this will forever change the way you think and pray. I am practically giving this away for you to better your lives. The rest is up to you.
