

## **Rings, should we wear wedding bands?** By Rabbi Simon Altaf Hakohen

21 Jan 2013

Modified 10, July 2016

### **Terms:**

**Torah** – These are the first five books in the Bible written by Moses (Genesis, Exodus, Leviticus, Numbers and Deuteronomy contained in every Christian Bible but vastly ignored by Christians) – Since Torah is instruction in Rabbinic understanding it can encompass all the books up to Malachi.

**Tanak** (Scriptures from Beresheeth (Genesis) to Dibre Ha Yamim Bet (Second Chronicles))

**HTHS** – All quotes with the Hidden-Truths Hebraic Scrolls or otherwise indicated.

Are we allowed to wear rings such as wedding bands that are so popular today. Whenever we assess things we have to go back to the Torah and examine what custom is allowed and what is not. The same principle applies here. sometimes due to pressure of Spouses or society we say OKAY to something that is not really OKAY. And other times we say OKAY just to please the other party. We Hebrews are the worst for adopting gentile customs even though we were warned not to follow after gentile customs and society, peer pressure can take over and we end up doing what we are not to.

One reason given by some women is that we wear rings so that other men may know we are taken. How true is this argument? First, why are these women worried about looking at other men or worried over this? Should they even entertain other men in chat or gossip? Also gentile men of these cultures do not care whether you wear a ring or not they believe in adultery so where does that leave the ring?

So this argument is not true that you need a ring to avoid other men. In fact I will say this that if a married woman wore a head covering that deters any man from approaching her knowing she is religious and not interested.

A woman whose head is covered is not approachable since that is a statement I belong to someone else but most of these women never cover their hair. So if you are not bearing your flesh and have a humble attitude most men will find you unattractive provided your legs and breasts are not falling out and not even want to approach you. Let us say a man still approaches you if you do these things then you have a mouth to speak and tell him that you are not available and belong to someone else

G-D tells us the following:

**Devrim (Deut) 7:5** Instead this is what you must do to them; you shall tear

down their altars, and shatter down their pillars, and cut down their asherah<sup>1</sup> poles,<sup>2</sup> and burn their idols.

We are instructed to burn down their idols and cut down their Asherah poles. This means not to adopt any gentile customs of course today applies to crosses in your homes and images of Jesus etc. Are we doing this or are we adopting and caressing the idols and calling them good. Most women have to look deep inside their soul to answer that question as they refuse to listen to their husbands.

Let us examine the pitfalls.

When we start discussing this issue we end up with personal feelings rather than the truth of the laws of the Torah.

It's usually the case that women will say that they want to wear rings because it shows others that they are married. Can we find this argument to be true in Torah, let's take a look.

**Beresheeth (Gen) 24:53** Then the servant brought out jewels of silver, jewels of gold, and clothing, and gave them to Ribkah: he also gave precious things to her brother and to her mother.

So in the Hebrew culture he gave precious things to her guardian and to Ribkah the bride to be but no mention of any hand rings as it's not part of our culture, never was and never will be.

**Beresheeth (Gen) 24:65** For she had said to the servant, Who is this man walking in the field to meet us? And the servant said, It is my master: so she took a veil, and covered herself.

Why did she wear the veil? Before you go criticising Muslim women for the veil we need to look at the fact this was our custom and not a Muslim custom. Wearing of the veil meant submission to the husband and the husband would take the veil off to see her face. Today in Hebrew weddings the Husband covers the woman's face with a veil before the marriage ceremony and then later unveils his bride.

**Beresheeth 41:42** Then Pharaoh took his signet ring from his own hand, and put it on Yosef's hand, and he clothed him in garments of fine linen, and put a gold chain around his neck;

The first people to use signet rings were the black Egyptians, their women wore expensive gold rings and silver rings, a total pagan practice that we were forbidden to follow.

Later this custom was evolved into wearing of wedding bands which was started by the Romans. These are called gentile in the Torah or heathens so it was a heathen custom to wear rings. However the signet which kings used were to signify authority

---

<sup>1</sup> The word 'Easter' comes from this Hebrew word.

<sup>2</sup> The cross is also a Babylonian symbol and must not be in any place of worship.

of the king upon the person but the common wedding band ring had a very different meaning.

What did the Torah warn us?

**WeYikra (Lev) 20:23** And you shall not walk in the manners of the nation, which I cast out before you...

G-d had cast out heathens before for following perverse practices.

Do not practice the things the heathens do but wayward Hebrews love to do just that. The Hebrew word for a ring is:

**טבעת**

ṭabba'ath

The Tet is to dig in ancient Hebrew which is the picture of a spade, the Bet is for a house, the ayin is for action, walk or to work and Tav for a tree or pole.

The functional meaning of the Hebrew is a ring.

The ancient meaning is "To dig the foundations of the house" or to "destroy the house". You will have to agree with me that the ancient meaning is pretty awful. So what happens when you give the wedding band or a ring to a woman? She has the smile for a day then she starts to judge you because the spiritual takes over as the spiritual is what brings the physical. The spiritual meaning of a ring is not good, it means to be IN BONDAGE to another, to dig a house also means "to destroy a house." Then who starts to dig the house and its foundation? The one who is the wearer of the ring. If a man wears it "he will" and if a woman then "she will" and if both then "both will" start to tear their own house down all the time wondering why is my marriage having problems. This is why marriages do not last today, this is what I call spiritual attacks without even knowing it. Beside the issue of being married to a gentile this is the second issue of their customs. Remember Devarim (Deut) 7 said do not give your sons and daughters to them as they will lead our people astray and by the same breath G-D told us to DESTROY their altars. Well a ring is a gentile altar that most of you submit to. An altar is anything which allows you to raise up something against Abba YHWH.

For myself personally I have found in my last few relationships where I had given the ring they all ended up in disaster. I realised clearly the issue was spiritual because there was nothing I had done physically to bring on these problems so I enquired what was I doing wrong? What was shown me was the gentile customs, the ring. I threw away one ring in my marriage and manage to sustain it for 17 years until my father in law came to destroy it because I chose to follow the Torah and not Islam.

So the ring will bring on "destruction of your house." When I refused to give a ring the relationship remained stable but the other party had to be explained why however some women just do not want to understand and then I knew one can say goodbye to this. I wondered about that until I came to the understanding of what ring

represents because I continued to investigate if I was correct or was this more psychological. My findings were stark reality that the ring is a GENTILE ALTAR AND MUST BE TORN DOWN.

But you know the truth is women do not understand this a little bit. They will argue with you, quarrel with you until you give the ring but if you gave the ring your problems really then start. My advise, if you want a happy marriage in that you are married to a Torah believer get rid of the ring, give it to charity, throw it away whatever, plenty of thrift stores to donate to. Throw it away as far away from your house as possible. My wedding ring was stolen that my wife had given me and I was quite happy about it in my heart though my wife was all upset I said good I could not have done it better myself.

Rings started with Rome!!!

Originally prior to 31 BCE Romans had forbidden slaves to wear rings but later they allowed freed slaves to wear silver rings.

The historian Pliny wrote that rings entered Greek mythology during Prometheus who dared to steal fire from heaven for his earthly use. For this Zeus the Greek god chained Prometheus to a rock in the Caucasus Mountains for 30,000 years during which time a vulture would feed on his liver everyday. Finally Prometheus escaped taking a chunk of the rock attached to the chain with him. Zeus then liberated Prometheus. To avoid his original judgment being violated he ordered Prometheus to wear the link of the chain on his finger as a ring. There was a piece of rock upon that ring, which was a reminder to Prometheus that he was forever chained to the rock.

So you can see the meaning of the ring is not that you are bound to the other person but that you are bound to powers which are not of this world, in other words satanic powers. Have you seen Lord of the Rings, The Return of the king, I would encourage you to see all the Lord of the Rings so you can see what the ring was used for in ancient culture and its real meaning.

With a ring in your finger your homage is to Satan and not to G-D as G-D has never commanded us to wear a ring to pay homage to him. Christians adopted this custom after the Romans had made Christianity state religion.

James Remington McCarthy, Rings Through the Ages (New York, 1945), p. 5.

Tertullian (160-225 CE), a pagan lawyer who became an influential church leader, lamented the extravagance in dress and ornaments that was evident among the Romans in his time. He commended the ancient Romans for encouraging modesty by condemning the wearing of gold, except the marital ring: "I see now no difference between the dress of matrons and prostitutes. In regard to women, indeed, those laws of your fathers, which used to be such an encouragement to modesty and sobriety, have fallen into desuetude, when a woman had yet known no gold upon her save on the finger, which, with the bridal ring, her husband had sacredly pledged to himself."

James Remington McCarthy, Rings Through the Ages (New York, 1945), p. 66.

James McCarthy noted the reason for this development: "The trouble with the Romans, as with others enamoured of anything, was that they began to overdo the wearing of rings. They covered their fingers with them. Some even wore different rings for summer and winter. They were immoderate not only in the number of rings worn but also in their size. Even on the little finger extremely heavy rings of gold were worn during the twilight days of the Empire. Thumb rings of even more gigantic size were sported. It would seem as though the flash of rings paralleled the inevitable fall of the Roman Empire."

You may think I am making this all up that the ring is the destruction of the home, surely this must be a mistake, right? I asked myself this over and over again as well looking at the text and meanings until I knew this is no mistake. Let me show you in scripture the meaning of digging's one's house or to destroy one's house has happened before.

**Esther 3:10** And the Sovereign took his ring from his hand, and gave it to Haman the son of Hammedatha the Agagite, the Yahudim's enemy.

What was the meaning of giving the ring to Hammendatha? To destroy our Houses, to destroy the houses of our people, the Hebrews in Iran and all the way to ancient India.

When Mordecai heard it he tore his clothes he understood what just happened.

**Esther 4:1** When Mordecai perceived all that was done, Mordecai tore his clothes, and put on sackcloth with ashes, and went out into the midst of the city, and cried with a loud and a bitter cry;

Mordecai cried bitterly because he knew destruction was going to come upon our people as a result of this so my conclusion is not wrong but bears out. How much destruction of the homes have occurred in the western society?

According to Pliny James McCarthy writes  
James Remington McCarthy, Rings Through the Ages (New York, 1945), p. 5.

"He received, along with cap and white vest, an iron finger ring. The slave had been fastened, so to speak, by a Caucasian chain of bondage. When granted his freedom he still had to wear, as Prometheus wore, an iron ring by way of remembrance. He was not permitted to have one of gold, for at that time that was a badge of citizenship."

So the ring was and still is a Caucasian chain of bondage!!! Though our people became free of man made slavery but they are still slaves in the minds to gentile

customs. Our women love gentile customs and that is what they keep telling us we must do in ignorance of course and in offense to Abbah G-D.

### **Poison Finger Rings**

In Roman times finger rings were worn not only to effect healing but also to poison oneself or others. Poison rings carried a liquid poison in a small cavity in the bezel. A spring was connected to the cavity in such a way that the murderer could give a fatal scratch while shaking the hand of the enemy. This device was probably suggested by the poison fang of a snake.

The Carthaginian general Hannibal took a fatal dose of poison from his ring (183 or 182 B. C.) rather than surrender to the Romans. The sixteenth-century Borgia Cesare's family in Italy, known for its treachery, supposedly used poison rings to murder its enemies.<sup>3</sup>

The nations also wore rings with different stones for meanings in astrology which were the names of the false g-ds.

The Romans originally had an eight day week but when they adopted the seven day Hebrew week they named the days according to the g-ds they worshipped.

The idea that the ring is a sign of marital commitment and fidelity does not find this in the laws of the Torah but in pagan mythology and superstition and that is what many of our people have adopted as customs.

Episcopal Rings were worn by ancient roman priests who served Jupiter as god.<sup>4</sup>

It was a Decree issued by Pope Boniface IV in 610 CE, requiring monk priests to wear rings (The Catholic Encyclopedia, 1908 edition, s. v. "Rings" (vol. 9, p. 59). 33. Ibid.).

Bishops and popes came to love their rings so much that they wanted to be buried with them. This explains why splendid collection of Episcopal rings have been found in papal sarcophagi (coffins) and have come down to us. The influence of paganism is evident in many of the Episcopal rings since they are set with ancient pagan gems engraved with pagan symbols. Referring to Episcopal rings, The Encyclopaedia Britannica says: "In many cases an antique gem was mounted in the bishop's ring, and often an inscription was added in the gold setting of the gem to give a Christian name to the pagan figure." (The Encyclopaedia Britannica, 1926 ed., s. v. "Ring" (vol. 23, p. 350)). In other cases, according to the same source, no change was made to the pagan engraving and "the gem appears to have been merely regarded as an ornament without meaning."

John Wesley (1703-1791 CE) gave the example of First Peter 3:3 to his congregations not to wear expensive gold, pearls and especially the wedding ring and people actually heeded his advise.

James Remington McCarthy, Rings Through the Ages (New York, 1945), p. 718.

So what we going to do? Just because our Hebrew woman do not understand or do not want to submit to us then should we allow them to continue to defy our Abbah G-D's law under the guise of everybody else is doing it so it's OKAY for me to do it too?

Do women not mainly wear a ring so others can see it that they are married, few women wear it for personal reasons? If you were doing it for yourself it still is wrong, you would not need a ring to know that you are married but you would know it in your submission and actions to G-D first and your husband next.

**Devrim (Deut) 12:2** You shall utterly destroy all the places, wherein the nations which you shall possess served their powers, upon the high mountains, and upon the hills, and under every green etz (tree):

We are told to destroy the things of heathens and right now in exile we cannot touch many things that we dislike of the nations. We cannot change even the pagan days and months born out of false g-ds but there is one change we can make. This change is to drop all heathen customs associated with false g-ds and the gold ring is a custom associated with false g-ds. We can say right the things we can change we must and spiritually we must rectify ourselves and destroy all outward customs that are not ours. So the law starts from our own homes. I know this is not an easy transition for many of you but you must remember one thing in that you are serving the Abbah and upholding the things Moses taught us.

Let us not allow personal preferences to cloud our minds and be led astray and in turn lead our children astray.

What good is us being Y'sra'elites if we are still going to behave and act like heathens?

Remember always...

**Devrim (Deut) 14:2** For **You are a set-apart people to G-D** Your POWER, and G-D has chosen you to be a **special treasure to himself**, above all the nations that are upon the earth.

May the El of Y'sra'el guide you and increase those of you who obey His Torah.

### **What Else Have They Kept From Us?**

This book is as the result of an e-mail conversation with a lady who asked me some questions and one of her questions upon my answer was “What else have they kept from us?” This was the question that led to this book

because instead of answering people with small sections of answers I decided the time had come that a book had to be written to answer and address everything as it happened from the start to the end so that many may see that the deception is real and it's a deep cunning deception which starts from your TV screens, in your newspapers followed by wherever you go in your daily life.

How would a person know that they are being deceived if they do not know what to look for? Its like a Ten Pound note well if you saw the original then you have something to compare the false note with but what if you were never presented with the original and always had the fake in your pocket then you will likely think the fake is real and this is how it is with Christianity today that is simply mixing paganism with truth. A false Ten pound note or a bad tender which will give you no value when you redeem it as I uncover it in the pages of this book. Who was Yahushua, the real Hebrews and Y'sra'el.

### **Patriarchal Marriage, Y'sra'el's Right-Ruling Way of Life, Methods and Practice**

### **Hebrew Characters, The Power to have prayers answered**

Have you ever tried praying and find that either your prayers take very long time to answer or they don't get answered at all? In frustration you ask other friends to pray for you in hope that you may get an answer from G-d soon. I have given considerable thought about the condition of our people and how many languish in poverty, in situations where they seek for help

because they are given false dogmas, put in religious bondage and slavery of the mind and heart.

Many times they make their own lives harder because they have spent so much time in the nations that they just want to live like the gentiles and not Hebrew as they are unaware how to benefit themselves that await them. I know it can be a lonely road at times. Our Abbah in the heavens feels our pain while we live in exile He sends the Shekinah to be with us. He longs for us to return back to the contracts that we may receive all the increases and benefits that are only meant for us.

However we pass our life by with this that and the other person who gives us no joy but we think maybe if we carry on suffering things will change for the better but things NEVER change. This book was written to help for a time such as this to better the lives of our people. To empower them with the right petitions to give them benefits and increases in employment, love, marriage and sickness. This will help you break the spells of witchcraft, dealing with jealous people around you and personal anger issues. This will help you deal with demonic presences in your homes. This will show you how to receive a timely answer to all your prayers. I have used these methods for my students all over the world which have proven successful for them and have greatly benefited them.

It takes many generations for a right-ruling priest to be born in our generations. How many generations our people have suffered the scourge of the curses for not obeying the Torah? Many are still suffering. The Most High is going to raise his priests one by one until we get our restoration complete. Rabbi Simon is of the priestly family born to help his people.

The Kohen is meant to be a benefit to the people of Y'sra'el and is one of the person's that has been given the authority to stand between the heavenly court and the earthly realm. Christian clergy has been lying to you for so long that you don't know what is good for you anymore. The Melezkadek priest's job is not to stand between the heaven and earth as you have been wrongly taught, his job is to be a King and serve justice on the earth with the Torah. While the Christian clergy teaches everyone can be a Melezkadek this is not the truth. Only the Kings of Israel can right hold that title, it's not for anyone else.

There is only one everlasting priesthood and that is the Lewitical one. This book has been written by a Lewitical priest of Beyth of Tzadok, its time you reap the benefits so decide wisely. Even if you are a gentile looking to become part of Israel by conversion the opportunity is open to you to obey the Torah and join us.

I want you all to benefit and to receive what rightly belongs to you.

I could have sold this book for \$100 a piece because everything in this manual would forever change your life once you put it in practice but I decided not to do that as my purpose was not that.

However this book is kept at a low price not for \$100, no, not even \$50 but for a price of \$27 only this will forever change the way you think and pray. I am practically giving this away for you to better your lives. The rest is up to you.

### **Now that I know I am a Hebrew**

You don't just wake up one day and say You are a Hebrew. Being Hebrew brings many processes that need to be completed before you are finally cleaned up as the Abbah desires to fulfil your responsibilities. This book is in the hope to help many of our people who are Hebrews and desiring the change to rid them of idolatry and clean up to present to the Abbah a sacrifice with sweet aroma so that they may serve Him faithfully according to His desire! Are you willing to make the sacrifices required to follow the G-d of Israel?
