

Behavior and Beards so called Torah followers or spectators by Rabbi Simon Altaf Hakohen

HTHS - (Hidden-Truths Hebraic Scrolls), all references to this bible or otherwise stated.

Some things can be very alluring and other things may be a put off.

One of the things that you must not be drawn into is how someone dresses themselves as that can be a negative way to view someone and does not tell you about the person. When you assess a person it's always by his fruit. If someone says they are a believer check their deeds and actions do they line up with the Tanak.

Torah is the lifestyle and government of YHWH but the rest of the religious systems came from man and they will try to captivate you to a particular set of rules and it's not the same as Torah obedience. With Torah obedience you can either read it yourself or ask a competent Rabbi to explain imperative details such as Kosher laws, ritually purity, niddah, etc, etc. Those that pretend to do Torah out there but have little to no understanding of what I just mentioned then can be ruled out as incompetent teachers so should be avoided.

When someone enters into your life for guidance he could be entering as a teacher, or a prophet. However note prophethood ceased. There is no prophethood today so when someone comes today and says he or she is a prophet reject that person.

The infamous beard

Osam's Bin laden's beard became famous for the twin towers collapse whether he did it or not we will never know as he was never brought to trial. This beard was then used as jokes on many other people such as ex President Bush and even in some other movies it was used by actors.

Usually beards are used in this world to cover ones sins and the longer the beard the more sins one has to cover. I don't want you to think I am joking, I am quite serious.

True Y'sra'elites did not keep long beards but short ones as one is allowed to trim his beard as long as you do not remove your payots (sides). Even a one day payout is halakikly valid. These days we see scrawny scruffy beards on Muslims and Jews running way out of line. These guys both neither belong to the true children of Israel. The modern Ashekantzim are converted from Khazaria and Sephardic converts from Yemen.

In order to tell the character of the person see how he treats his brothers, sisters, children in and out of the family and strangers? If a man is stingy with outsiders he is unlikely to be big hearted to his family, stingy people have an evil eye well to be avoided. A man is good who waters liberally.

So first find out about his household.

Peh – Find out if he kept his word and lived up to it, most don't so cannot be trusted.

Resh – Find out if he walked with G-d with integrity. Many claim it but hardly do it.

Mem – Find out how he treated people around himself those other gentiles. If you have one who swears at gentiles or mistreats them watch out, he may do the same to you this man's spirit is out of line with the Torah!

A person having an excessively long beard needs to be checked as very few individuals with long beards can be trusted, this is my observation.

Men who keep long beards also have a long list of wrongs and a long beard is a red sign. The longer their beard the longer their list of sins. In other words many times it's just a front by so called Messianics to keep beard as they are not sincere but simply Torah spectators!

In Islam a long beard is a sign to watch out. When I was in the midst of Muslims I was very weary of long beards. I found the most intolerant people were with long beards and the most hypocritical ones also had long beards in Islam.

Beard

You can tell a lot about a man from his beard if he is a goat or a sheep! Whether he is redeemed or not.

This is why when I first became a Torah believer I had a hard time to keep a beard, I knew I needed to keep a beard but I just did not want a scrawny beard hanging down to my toes. I knew what beards have come to mean to me so I had to find a good balance to keep a beard that suited me but yet was not the long variety as I explained earlier. When you see Musa depicted with long beard that is not what he looked like either.

Also know that behind every beard is a story and the longer the beard the longer the list of stories.

I found people of beards who were Muslim especially of no integrity those that have been to hajj, the Muslim pilgrimage, I found them the most intolerant and hostile to others. I thought maybe this only applies to Muslims but when I saw Messianics and Christians I found the same thing and even worse with orthodox Jews many of which are racist to true Y'sra'elites. Again remember not everyone might be like this but the majority are. A few individuals with beards may not fit this category.

So when I kept a beard I wanted to keep a small one. I wanted to be different from those individuals and be examined differently.

If a man keeps a long beard he will have to maintain it so look out for that, does he maintain it. If he is scruffy and does not care about maintenance then what chance that he will maintain you if you are marrying such a man? Men who keep shorter beards always maintain them and are the ones to look for. You will notice they are conscious of self and others around them.

That is a character trait to look for. It means these guys are considerate to others, they consider others feelings and needs. A person just growing a three foot bush cares little of others and certainly not going to look at your feelings and I really mean that as I have seen and observed this in my experience.

While men who keep long beards, their beards become their own right-ruling, so the longer the beard the more right-ruling they think they are when in fact they may not be. This is a majority issue and a minority few may not fit this description with long beards.

A person who is right-ruling in his own eyes is not right-ruling in YHWH's sight.

But a person who lowers himself he is right-ruling in YHWH's sight. We always need to put ourselves in YHWH's sight first. I need to ask the question am I right in his sight? When I was a Muslim I would hate to go to the Mosque but would rather pray at home. Why? I saw too many hypocrites lining up the mosques and then found them doing all sorts of bad things outside therefore I decided earlier on as a Muslim I am not going to be the hypocrite like them. I decided I will be honest, I will have integrity but not with that lengthy beard so I never kept a beard as a Muslim.

Why do I trim my beard? To lower my status before YHWH, to show YHWH it's not my long beard but my short beard that I keep before you so that you know I try to walk upright in all my affairs, I never try to show outward right-ruling with inward hypocrisy.

This is why when someone dies we remove our facial hair altogether to show respect and mourning to the dead.

I would keep my beard less than a fist in size, any bigger I must trim it, it starts to bother me that it will give the wrong image as all those memories of men with long beards come to me who were unrighteous.

To me a beard the first question I ask is why am I keeping it? I need to remember who I am keeping my beard for that is YHWH but not to grow like a tree then if I do that then I would be keeping it for myself and not for YHWH in other words hiding my sins. My right-ruling is not dependent on a long beard running from my face to my feet but many people in the world function this way. You have the two extremes the ones with no beards which fits the homosexual Greek culture and those that have too big beards equally hypocritical. Try it and test it and you will see what I am telling you has a lot of truth in it.

If you asked me are you right-ruling, I will tell you only YHWH is right-ruling but we are mere creatures who try but don't measure up. Everyday I examine myself and ask myself how can I do something better and more pleasing to Abbah. Did I do anything wrong yesterday that I should not repeat today.

I ask, Am I wicked? No, because I am trying to obey the Torah of YHWH. Am I right-ruling on my own? No. Then what am I?

I am entirely in the Abbah's hands and that is the best place to be in.

Then how can I believe I am good for the Kingdom? The honest answer is without the Abbah YHWH I am not good enough. I used to be like that. While many people would line up the mosques to show how good they were I would find a corner spot to say to myself I am inadequate in front of G-d. I cannot go right up to the front. When I first became a believer and I would get invited to some function or some fellowship I would go and want to sit at the back in a little spot where I do not get noticed. I never wanted to stand with the people in the front because I felt my inadequacies to the heavens, in that I should do even better. I knew my own right-ruling was nothing but filthy menstrual rags in comparison to G-d's set-apartness. How could I stand in His presence, which is so pure that I can not even reach 1/10 of that?.

Beresheeth 47:9 And Yaquob said to Pharaoh, The days of the years of my pilgrimage are one hundred and thirty years: few and evil have been the days of the years of my life, and they have not attained to the days of the years of the life of my ahvot (fathers) in the days of their pilgrimage.

When Jacob was asked his age by Pharaoh Jacob told him I am 137 years of life and the days of my life are few and evil and that they have not been as good as I like them to be such as the days of my forefathers.

In other words he had seen a fair share of evil around him and had gone through equally with problems and wasn't ashamed to own up to it. He was a right-ruling Tzadik but even then he felt he need not beat his chest and stand up proclaiming it.

The bottom line

Beards are important but watch out their sizes.

Our right-ruling must always be judged in the Torah we keep and practice and not the size of our beards but keep it trimmed and remember every time it grows above two inches you need to cut it down as the right-ruling of our Abbah is what we need to be clothed with and we need to own up our sins to the heavens, we need to make restitution with those we have wronged and live our life to serve the Most High YHWH. If I claim to be Torah obedient then I must be tithing to my Rabbi, a Lewite, I must be building the kingdom. If I am supposed to tithe 10% and don't even bother to give 5% then what good is my Sabbath that is out of line since my basic start is wrong.

Psalm 1:3 And he shall be like an etz (tree) planted by the rivers of mayim, that brings forth his fruit in its season; and whose leaf also shall not wither; and whatsoever he does shall prosper.

What rivers of waters is this right-ruling tree planted in? He is planted in living waters that is the only way he can be right-ruling. Firmly planted in Torah which is mayim chayim, waters of life.

Our leaves may not wither and the only way this can happen is if we constantly examine ourselves to make sure we live correctly for our Abbah.

May the El of Y'sra'el guide you and increase those of you who obey His Torah.

Yahushua – The Black Messiah

Have you been lied to about the true identity of Yahushua? Have you been shown pictures of the idolatrous Borgias and may have believed that this Caucasian hybrid was the one Christians believe to be Messiah? What ethnicity was rebbe Jesus and what race of people did He belong to? Is it important that we know His ethnicity? What

colour was Moses, King David and King Solomon? We examine and look at the massive fraud perpetrated upon the western nations by their leaders to hide the real identity of the true Hebrew Israelite people and race which are being restored in these Last Days. Rebbe Yahushua said everything will be restored and that includes His and His people's ethnicity and colour. Would you like to know because it affects your eternity and His true message then get this book now.

Hebrew Wisdom – Kabbalah in the Brit ha Chadasha

The book's purpose is to illustrate basic principles of Kabbalah and to reveal some of the Kabbalah symbolisms used in the New Testament. We look at the Sefirot, what they mean and how they apply to some of the teachings in the New Testament. We also look at the first chapter in Genesis and examine some of the symbols there. We examine the name of Elohim in Exodus 3:14 and see what it means. We examine some teachings of John ben Zabdi to reveal how he used Kabbalah freely.

The Apocrypha (With Pirke Avot 'Ethics of The Fathers')

Read the fifteen books of the Apocrypha to get an understanding of the events both of the exile and of Israel's early history. Read Ethics of the Fathers to understand rabbinic wisdom and some important elements of the story of Genesis. The tests, the trials and the miracles of the Temples. Without these books the story in the bible is incomplete and has gaps which these books will fill up and give you a more complete understanding.

African-Israel Siddur transliterated Hebrew with English (Daily life prayers)

Many times we wonder what prayers should we do when we go to bed, when we leave our home in the morning and how do we pray daily? What prayer should I do if I have a ritual bath? What prayer is for affixing a Mezuzah? Each year you wonder how to do the Passover Aggadah and what is the procedure. This book also covers women's niddah laws to give you understanding into women's ritual purity. Unlike other prayer books Rabbi Simon actually bothers to explain small details that are important and often ignored. What do you do when a relative dies, what prayers do you do at graveyards, how to celebrate the death of loved one's? Can you do prayers for the dead? This is one book you should not be without.

World War III, The Second Exodus, Y'sra'el's return journey home

How will the genetic Hebrews be taken back to the land? Are the present day Jews in Y'sra'el of ancient stock? Is there any prophecy of foreigners invading Y'sra'el and inhabiting the land? How will Elohim have war with Amalek and wipe them out and who is Amalek today? Why is the Church so confused about bible prophecy?

How will the end come and why is the world hiding the identity of the true Y'sra'elites? Will there be a rapture or marching back on foot? What happens if we die in our exile? And many more questions answered. The time has come to expose the errors of others.

What Else Have They Kept From Us?

This book is as the result of an e-mail conversation with a person who asked me some questions and one of her questions upon my answer was "What else have they kept from

us?" This was the question that led to this book because instead of answering people with small sections of answers, I decided the time had come that a book had to be written to answer and address everything as it happened from the start to the end so that many may see that the deception is real and it's a deep cunning deception which starts from your TV screens, in your newspapers followed by wherever you go in your daily life.

How would a person know that they are being deceived if they do not know what to look for? Its like a Ten Pound note well if you saw the original then you have something to compare the false note with but what if you were never presented with the original and always had the fake in your pocket then you will likely think the fake is real and this is how it is with Christianity today that is simply mixing paganism with truth. A false Ten pound note or a bad tender which will give you no value when you redeem it as I uncover it in the pages of this book. Who was Yahushua, the real Hebrews and Y'sra'el.

Patriarchal Marriage, Y'sra'el's Right-Ruling Way of Life, Methods and Practice

How did the Y'sra'elites live? What form of marriage did they practice and how did they practice it? This book is about to show you what was Elohim's design from the beginning and how the Y'sra'elites lived within Elohim's required parameters. Today these things appear mythological but here we show you the methods and ways of how this lifestyle was practiced and is being restored in these last days while the much touted monogamy is wrecking lives and destroying families and society around us. How many marriages are breaking down as a result of the wrong model and how many children are living fatherless lives while women live husbandless and unfulfilled lives. This book will show you why the Greek and Roman monogamy model with a husband and a wife and a bit on the side does not work. While Elohim's model of plural marriage with Torah monogamy is an everlasting model that not only works but saves many children from losing their father's and women from losing good husbands.

Hebrew Characters, The Power to have prayers answered

Have you ever tried praying and find that either your prayers take very long time to answer or they don't get answered at all? In frustration you ask other friends to pray for you in hope that you may get an answer from G-d soon.

I have given considerable thought about the condition of our people and how many languish in poverty, in situations where they seek for help because they are given false dogmas, put in religious bondage and slavery of the mind and heart.

Many times they make their own lives harder because they have spent so much time in the nations that they just want to live like the gentiles and not Hebrew as they are unaware how to benefit themselves that await them. I know it can be a lonely road at times. Our Abba in the heavens feels our pain while we live in exile He sends the Em Chomah to be with us. He longs for us to return back to the contracts that we may receive all the increases and benefits that are only meant for us.

However we pass our life by with this that and the other person who gives us no joy but we think maybe if we carry on suffering things will change for the better but things NEVER change. This book was written to help for a time such as this to better the lives of our people. To empower them with the right petitions to give them benefits and increases in employment, love, marriage and sickness. This will help you break the spells of witchcraft, dealing with jealous people around you and personal anger issues. This will help you deal with demonic presences in your homes. This will show you how to receive a timely answer to all your prayers. I have used these methods for my students all over the world which have proven successful for them and have greatly benefited them.

It takes many generations for a right-ruling priest to be born in our generations. How many generations our people have suffered the scourge of the curses for not obeying the Torah? Many are still suffering. The Most High is going to raise his priests one by one until we get our restoration complete. Rabbi Simon is of the priestly family born to help his people.

The Kohen is meant to be a benefit to the people of Y'sra'el and is one of the person's that has been given the authority to stand between the heavenly court and the earthly realm. Christian clergy has been lying to you for so long that you don't know what is good for you anymore. The Melezkadek priest's job is not to stand between the heaven

and earth as you have been wrongly taught, his job is to be a King and serve justice on the earth with the Torah. While the Christian clergy teaches everyone can be Melekzadek this is not the truth. Only the Kings of Israel can right hold that title, its not for anyone else.

There is only one everlasting priesthood and that is the Lewitical one. This book has been written by a Lewitical priest of Beyth of Tzadok, its time you reap the benefits so decide wisely. Even if you are a gentile looking to become part of Israel by conversion the opportunity is open to you to obey the Torah.

I want you all to benefit and to receive what rightly belongs to you.

This book for \$100 a piece because everything in this manual would forever change your life once you put it in practice but I decided not to do that as my purpose was not that.

However this book is kept at a low price not for \$100, no, not even \$50 but for a price of \$27 only this will forever change the way you think and pray. I am practically giving this away for you to better your lives. The rest is up to you.
