Those that get offended by explicit sexual language or connotations thereof please do not read from this point on. This article is intended to help our people and not to offend people. If you are offended we apologies as its intention is to rectify broken lives of people.

Everything started from the womb for us as men or women. We are told the following;

### Yeshayahu (Isa) 44:24

Thus says YHWH, your redeemer, and **he that formed you from the womb**, I am YHWH that makes all things; that stretches forth the shamayim alone; that spreads abroad the earth by myself;

### Yirmeyah (Jeremiah) 1:5

Before I formed you in the belly I knew you; and before you came forth out of the womb I set you apart...

What God is trying to convey by keep telling us that He formed us out of the womb. There are numerous other verses in the Bible in regards to this.

The reason is obvious why men and women are messed up psychologically. Both of us were fashioned from the womb of a woman. We are searching for our rightful place that means the men are searching for love as it was given to us by our mother's. Not judgmental love but love without judgment and malice. Most women today would judge us first and then offer anything of value. The Church does no better by making marital bedroom relations as some kind of taboo.

### Where is my mother's love?

Why do men who connect with women at the deeper level when men attach on women's breasts so to speak it's not just a sexual act. Why do men get attracted by looking at women's breasts and legs?

This is a powerful reminder of our infancy when we would connect to our mother's as children. The breasts of a woman are the place that naturally reminds us of our infancy and our mother. So all men are searching for that initial love so to speak through the female breasts. When we were born our mother picked us up crying and she puts us next to her breast so we can drink her milk. She lovingly caressed us, we stopped crying and

we feel so cosy and so happy that we are safe and secure. This is also the kind of love we are offered by the God of Israel.

When men have intimacy with their wives they are so to speak connecting to the area of the reproductive organs once again related to the time when they were born through their mother. This is why men get attracted to women's legs and breasts. The legs are the area where we are born through and most men who go between the legs with different women are searching for momma's love, they perch from one branch to another thinking it will be in the next woman. This is an interesting and unique phenomenon. We do not feel whole or complete until we come before God and it is God who finally offers us that completeness. Men can go sleep with a hundred even a thousand women but the love will not be complete until we as men submit to God and ask him to complete us because really fundamentally it is He who is our Mother and Father and the earthly woman that we call mother is our conduit through whom we connect back to God. So our mother's must teach us about the God of our fathers. If they haven't then we search and search until God finds us.

So when men make love to their spouses then they are connecting to the woman and the woman connects to the man at quite a deep soul and spiritual level. This is why both men, women who sleep around get messed up physiologically, emotionally and psychologically. Being on Diazepam is not going to help with any of this, you need to connect back to God.

An intimate act with a woman/man makes soul ties. A person's soul is given to him by the breath of life he received and that soul originally was put through the nostrils.

**Beresheeth (Genesis) 2: 7**

And YHWH Elohim formed ha'Ahdahm of the dust of the ground, and **breathed into his nostrils** the breath of life; and ha'Ahdahm became a living soul.

So if it is the soul that goes through the nose then the nose is the place where the soul exits as well as usually the sneezing is considered the exit point for the soul upon death. The nasal passage goes to the sinus followed by down to the throat which leads to the stomach and the lower intestines.

This is why the scripture refers to the bowels or the stomach region.

**Beresheeth (Genesis) 43:30**

Now his heart yearned for his brother: so Yosef hurried; and sought somewhere to weep; and he went into his chamber, and wept there.

The Hebrew word for the heart in the above passage is Raham, which actually means a womb but a man does not have a womb so it would make it awkward to say his womb yearned. Hence the thought it connected to the heart or the KJV puts it as Bowels.

So in essence men are not just after a wife for sexual intimacy, but men need a wife to be like his mother, to love him just like his mother loved him and not continue to point out

his faults which will drive him away. In order for a man to be fixed in his errors he must be shown compassion and love without judgment. Our mother did not show us judgment when we were young she loved us unconditionally and expected nothing back in return but most women today want something in return since in the material world that we live in its all about buy me this perfume, that dress, this phone and the list is endless.

This is why all men search for the type of love that came from the first hug and first kiss that their mother gave them upon their birth. We never forget that first week with our mother when she held us and cuddled us, fed us her milk, loved us the most precious item on this earth.

Hence why in relations where a man is born and left in the street by his mother, he knows not how to show compassion as he wasn't shown any by his mother, he is not capable to do so.

So I leave you with this thought that in order for a wife to fix her home she must trust her husband and love him unconditionally, it's a tall order but its needs to be done. They must submit to their husband's so that the husband's would in turn love their wives as the Master Yeshua taught, Love one another. This is the only way we can learn to honour God by being shown honour by our wife but if our wife refuses to honour us we only become more broken in which case we are left with no solution but to seek a wife who will honour us it's that simple. A man desires love, respect and honour and in return he can offer the same but if he is given aggressive loud mouth behavior that many women in North America practice then how can that man give back love and compassion?

If they cannot do this to a righteous man then both parties will suffer and in the end the home will be broken, the children broken and this is not the model that God wants for us.

Please pray to God for help in these areas and you will be a much better man or woman.

May the God of Israel guide you and bless you
