How men are made to be mice

Mishle (Pro) 20:2 The fear of a Sovereign is as the roaring of a lion: whoso provokes him to anger transgresses against his own soul.

Many times women offend men in their lives be it a husband, a brother or a father because they feel they are more spiritual than men and G-d has spoken to them to direct the men.

I would admonish you to be careful of who you are speaking to. Most of the time all you are doing is undermining the authority given to men as the heads. When you undermine the authority of the man you undermine G-d. This seems to become a habit of many women of late. A late incident occurred to me that prompted me to write this.

In order to please women in their lives men have already stooped so low that their faces are touching the ground but our faces need to touch the ground for our Abbah YHWH only and no one else no matter how spiritual they consider themselves to be especially if that someone is a woman. It is a matter of great offence to me personally when a woman tells me she heard such and such from G-d and I have a message for you. The only problem is I as a Kohen did not receive the memo from G-d saying that I no longer speak directly to my kohen but I will speak through a woman. How foolish are such women. Have they forgotten what G-d said through the prophet Malachi?

Mal 2:6 The Torah of truth was in his mouth, and iniquity was not found in his lips: he walked with me in shalom and equity, and did turn many away from idolatry.

When women claim that a Kohen is withholding forgiveness and anger is misguiding his judgment. By blaming a kohen of holding a grudge or withholding forgiveness is like calling G-d a liar too, it is a serious matter.

Read what is the prophet Malachi wrote, a Kohen was not found with sin and he walked with G-d in set-apartness. A kohen bends over to please G-d first irrespective first and of how much personal loss he makes in the world. I know this first hand because I have been through these things through dealing with mud slinging and pyres of gentile idolatry. They will drag you down if you let them be wise never to allow such a thing.

When women try to be more spiritual than me I keep my mouth shut and let them talk to themselves! That is usually the end of my conversation. When my daughter got married irrespective of my advise not to she suffered and is still suffering. It is once again me who has to pick up the pieces but I warned my daughter last night if you don't mend your ways you will suffer a lot more and I will not be there to support you that will be the end. You can decide to make the right decision now or suffer the

consequences of your Muslim marriage which I warned will be a failure. Nobody listened to me twelve months ago and nobody is listening to me now when the marriage has failed so I say OK, I walk.

Did I cause the marriage to fail by speaking those words twelve months ago? No, but it was revealed to me and I did the utmost in my power to prevent it to be a failure. I still went to the marriage, attended for her happiness, wasted my \$8000 and my ex wife also wasted her \$8000 so after \$16,000 being wasted we are sitting on a pyre of despair. However I walk with dignity and uprightness of heart. I still upheld my shalom and told my daughter you made a mistake, time to walk right and not to repeat it again. However I can tell you that unless she changes her mind she walks in danger with all the rest of her Muslim family telling her a myriads of their foolish worthless opinions.

Sometimes the best thing you can do to the ones you love is to do nothing and let them see your back just as G-d showed his back to Israel and let them rot in their gentile filth. No, we do not pray about it or ask a friend to pray with you unlike idolatrous Christians. Just as G-d turns when its time we wait for the time to turn our back, learn a lesson from the G-d of Israel, it will benefit you all then to chase after that idolatrous son or daughter.

Malachi 2:8-9 But you are departed out of the way; you have caused many to stumble at the Torah; you have corrupted the Contract/Agreement of Lewi, says YHWH of Armies. **9** Therefore have I also made you contemptible and base before all the people, according as you have not kept my ways, but have shown partiality to the Torah.

If you fear YHWH then hold your mouth still when you speak to a kohen telling him G-d said such and such because G-d is able to speak to his kohanim directly and is perfectly capable to do this in 2015.

Mishle (Pro) 21:9 It is better to dwell in a corner of the housetop, than with a brawling woman in a wide house.

It is not necessary that its always an arguing woman that causes you to dwell in the corner of a house but it could be a non arguing woman too but what is being said is that a woman has the propensity to do that hence men need to be careful as many times I have heard how women undermine men and their authority. This is why many right-ruling men today are without wives because it is difficult to find a wife who will submit to a man.

I have seen no matter what advise you give to women who are not on par in your faith when they serve another false g-d that is nothing but a demon they stumble and fumble. This bring confusion in their lives and they will flip flop and cannot make a right-ruling decision. The same way when women which are coming out of Christianity into the way of G-d they bring their Christian baggage by telling you pray about such and such which is nothing but Christian garbage and needs to be left to the side.

G-d spoke to Hagar in the form of a Malakh when she was told to return to her mistress Sarah and that she would be increased including what would be the name of

her son. Note Hagar had already had a miscarriage at this point so this was the point of her conceiving again from Abraham, her second try if you like because she messed up the first time.

Beresheeth (Gen) 16:8-9 And He said, Hagar, Sarai's maid, where did you come from? And where are you going? And she said, I am fleeing from the presence of my mistress Sarai. **9** So the Malakh YHWH said to her, Return to your mistress, and submit yourself under her hand.

G-d also spoke through a malakh to Manoah's wife about the birth of Samson.

Shoftim (Judges) 13:3 And the Malakh YHWH appeared to the woman, and said to her, Behold now, you are barren, and bear not: but you shall conceive, and bear a son.

It was passages like these that were used by the New Testament writers to bring about a false prophecy of a so called Messiah which is really nothing but a myth that G-d spoke to Mary. Be careful how lies are concealed as G-d voice.

The truth is this when you challenge a woman who tells you pray about such and such they back out and cannot defend their stance. G-d does not need to speak to a man through a woman because he is able to speak directly to his appointed men. There are countless references in the scripture where G-d spoke directly to men, Abraham, Isaac, Jacob, Moses, Gideon, King David, King Solomon and the many ancient prophets, etc, etc, For the Lewites he spoke directly to them, there was NEVER a single time that G-d needed a woman to speak to a Kohen. This is the insult that us priests have to live with where women claim to be so spiritual that they are getting messages on our behalf.

A caution from a Kohen be careful because after you do that then everything will turn upside down, your spirituality will get you nowhere, just hope the Kohen does not speak ill of you or his words will be your fall. You disgrace a kohen you bring disgrace to yourself. Try it and see the results. There are many dead and buried Christians who claimed the same thing but are not alive to tell the tale. They are now awaiting the rapture in the grave including Muslims who thought their Allah can bring the Kohen to worship that demon but the Kohen spoke death upon them. Unfortunately the two that spoke both are dead, one was the uncle of the Kohen and one was the ex father in law. Don't challenge a Kohen or YOU WILL FALL, Allah won't be able to save them neither Mohammed's cousin Jesus.

Mishe (Pro) 16:18 Pride goes before destruction and a haughty ruakh (spirit) before a fall.

As I journey on my travels to the Orient to the land far far away to China I thought I send you a pertinent message. Many are still making such mistakes, be warned you challenge a Kohen you challenge G-d. You have been warned, G-d does not delight in his servants being put down by women or men who claim more spirituality than them.

Mishle (Pro) 6:9 How long will you sleep, O sluggard? When will you arise out of your sleep?

May all those be benefited who love the King and obey His voice

Rebbe Simon Altaf Hakohen

The truth is unleashed but can you handle it.

Respect brings binah (understanding), dishonour a Kohanim to your own detriment
