HTHS (All quotes from the Hidden Truths Hebraic Scrolls)

Who is G-d?

He is not your dog that you call to him and he comes running as your servant. That may be the gentile g-d who comes running to your aid as Christians claim. He's there servant called Jesus ready to do their miracles and wash their dishes, while the men and women still lack spirituality or any kind of set apartness. Their lives are as bankrupt as when they started to the day they will die. The writers or embellishers of the gospels stole all the reference of the Kohen Ezekiel, the prophet, with the term Son of Man and applied it to Jesus of Nazareth hoping to add some genuineness to him.

I am sorry but he remains a false prophet of the gentiles and false man/G-d messiah.

You may also be surprised to learn that the Christians even corrupted the Antiquities of the Jews written by Josephus by trying to fit Jesus in there.

Antiquity of the Jews book 18:33

3. Now there was about this time Jesus, a wise man, if it be lawful to call him a man; for he was a doer of wonderful works, a teacher of such men as receive the truth with pleasure. He drew over to him both many of the Jews, and many of the Gentiles. He was [the] Christ. And when Pilate, at the suggestion of the principal men amongst us, had...

This was corrupted by Christians in the 3rd century CE. Just as they have their dirty hands corrupting the Septuagint in Isaiah 53 they did this too so be warned any so called proof from the Christian camp is no proof at all. I know because I have examined things under the hood and the meat don't match the calf they claim to have slaughtered!

Our people committed an act of grave sin listening to the Egyptian priests who had joined our people coming up out of Egypt. We are still paying for the sin of the Golden Calf.

They made a Golden Calf in the image of Isis who was to them the g-ddess Hathor. Moses had only left Israel for 40 days and nights that they were shown a false vision from Satan who showed them Moses dead in a casket. This caused some of these Israelites to panic and join hands with the priests of Egypt to build the Golden Calf. Did you know that the Golden Calf was made to speak and dance? This is why the Israelites who had joined hands with the priests of Egypt started to worship the creature instead of the Creator and do their Spanish Salsa dance.

Nothing has changed in the gentile heathen temple known as the Church!

If Christians tell you G-d shows them visions and does miracles do not pay any attention to these idolaters.

I had a woman come to me last year claiming to be seeing Jesus in visions and she had a cross in her neck as big as a 8x5 book.

I looked at her at the cross and asked her why haven't you removed Tammuz? The woman did not know what to say. She claimed Jesus plays with her by putting her on his palm and he is in the sea and this woman is in his palm above the sea, allegedly on Jesus the giant's hand. This is what she told me believe it or not. Reminded me of the movie Gulliver's travels.

This was not an uneducated woman falling for this kind of deception but an accountant. Then she claimed that Jesus told her to write the Torah scroll. At this point I could not hold my speech and told her how can he ask you to do this. This is not your task. you will not be able to complete any such task. She said she was to start last May 2014 and wanted my help. I told her if he wants my help tell him to speak to me, I am not going through you. well guess what, Jesus don't speak.

She wanted to get in touch with Rabbi Amariel Howshua in Israel. I connected her to him and stepped back as I saw idolatry reeking out of this woman. I cautioned the Rabbi that this woman makes many claims but they are not true and her Torah writing claim will not come to pass either.

Rabbi Amariel said to me many women who are deceived by demons make many such claims but let's wait and see. I told the Rabbi no need to wait this is a pure lie and will not come to pass as we do not have any history of allegedly Hebrew women writing our scrolls. Today March 30, 2015 we are now ten months into that claim and that woman did not manage to write a single page of the Torah as far as I know proving that her claims were false which was my contention. Oh, and she happens to be from Ghana another Hamite.

This is why referencing my previous article women who take the moral high ground of telling the men that G-d spoke to them are equally playing with fire.

The G-d of Israel is not some play toy but a Kadosh Elohim and declares the following;

Wa'Yikra (Lev) 19:2... You shall be set-apart: for I YHWH Your POWER am set-apart...

Be ye afraid, very afraid that he may not extinguish you for the idolatries are reached heaven of what plenty of the people are doing down here playing with fire and the g-ds of the gentiles will be demolished too one day, to chase after them and calling them set-apart is spiritual blindness. You will start to see judgment quicken as G-d starts to take notice of the people he called by his own name still in perversion and idolatry. As we approach the Passover that is when the g-ds of the gentiles were put to the test, be careful that you may not be put into a trial and found guilty of sin and rebellion. Around this time of the year evil is at his height so Satan will tempt you with the evil inclination to do the wrong acts, be careful. You will see relationships break, people get angry at you for nothing, you get lambasted for things

you didn't do wrong but someone else did, this is the common occurrence.

YHWH will have mercy on whom he will but set apart are those that obey his voice
the Torah

Rebbe Simon Altaf Hakohen

The truth is unleashed but can you handle it.
