

## The Suffering Servant by Rabbi Simon Altaf Hakohen

17, March 2016

**Torah** – These are the first five books in the Bible written by Moses (Genesis, Exodus, Leviticus, Numbers and Deuteronomy contained in every Christian Bible but vastly ignored by Christians) – Since Torah is instruction in Rabbinic understanding it can encompass all the books up to Malachi.

**Tanak** (Scriptures from Beresheeth (Genesis) to Dibre Ha Yamim Bet (Second Chronicles))

**YHWH** - The four letters of the sacred name of G-d.

**HTHS** – All quotes using the Hidden-Truths Hebraic Scrolls unless otherwise indicated, this can be acquired from Amazon or [www.african-israel.com](http://www.african-israel.com).

**Yeshayahu (Isa) 53:4** Surely he has borne our grief, and carried our sorrows: yet we did esteem him stricken, smitten of Elohim, and afflicted.<sup>1</sup>

Many look at this statement and apply it to a man such as Jesus of Nazareth but this statement hardly applies to him.

How about if we applied this statement to a woman to any other Israelite in general as it should be?

Why do I say that? Although everyone would love to hear good tale of how a good man served his bad wife but the reality is this that many men out there claiming to do good don't do that and are not even close to it.

That is one side of the story we will look at it briefly. We have so called men who call themselves right ruling Israelites and all they do is make their family's life miserable. Maybe the family, the wife or the children do not follow the Torah like the husband, maybe they are Christian, yes we know its idolatry but these people have known nothing else from the moment their eyes were

---

<sup>1</sup> This is looking back at Moses though it may surprise a few although some try to fit it to the Messiah; "Because he bared his soul unto death." Because he gave himself over to death as it says, 'And if not blot me out....'[Exodus 32:32] "And was numbered with the transgressors.' He was numbered with those who died in the desert. "He bore the sin of many.' He caused (Elohim's) atonement for those who transgressed with the Golden Calf. "Made intercession for the transgressors.' He prayed for mercy for the sinners of Israel that they should return in repentance." [Sota 14a]

opened. So now that the men that these ladies married happen to through time have realised they were in idolatry so they snapped out of it and repented to follow the G-d of Israel but the rest of the family didn't. Now the men lecture their households and make them feel bad, unworthy but the women of these households think that the man is gone beserk. Has he chosen another cult.

While we have good right-ruling women dealing with the bad husband's who put them down, do not listen to them and the women stay in these marriages like the SUFFERING SERVANT that they are not meant to be.

What do they think? They consider a number of things;

- 1 Maybe they can change the man,
- 2 Maybe G-d will change the man.
- 3 Maybe a miracle will occur and voila everything becomes rosy.

Let's examine these;

1 Can they change the man? No, they have not been able to do it thus far.

2 Will G-d change them? No, as G-d is not in the business of forcing his will on humans. Did G-d change the wicked generation of Noah? No, he sent the flood. Did he change the wicked generation of Sodom and Gomorroah? No he sent burning sulfur and brimstone.

3 Will there be a miracle?

Just look at the number of divorces to know that G-d is not in the courtroom performing miracles either but the natural progression of a failed marriage is a divorce.

The women come up with all sorts of excuses to get beat up by bad men.

If they go to Pastors they tell them it's good to suffer so continue on. If they go to Jewish Rabbis they tell them the man or the woman is the mirror and it must be her sins that she is suffering for or the man is suffering for his past sins against an unjust woman.

The reality is that these are not good analogies to give, if the woman is the mirror then she must be cracked or the man because neither party does what the other wants so such analogies are foolish opinions of these Rabbis who are

trying to pacify fire but fire cannot be pacified with fire. Remember that a man is Aysh in Hebrew and a woman is Aysha, remove the Alef from the Hebrew word for Aysha for woman what do you have left? Fire...Fire is only pacified with Shalom in the home, that is created in a harmonious marriage.

שלם--- The Shin for Shalwa meaning to create calm or quiet. The Alef and Shin both exist in the word for man or woman, which means that if a man or woman are without G-d who represents the Alef, the source of all goodness there will be chaos.

אִשָּׁה **woman**

אִישׁ **Man**

אֵשׁ **Fire**

**This shows you the control is in the women and not men to stay or depart. A woman must make the choice to stay with a good man or leave an evil man.**

The women are terrified, in depression with panic attacks yet the solution that stares them in the face to leave and divorce the evil wicked men won't be taken by these women. They phone Rabbis at African Israel who tell them that the situation with such men is hopeless, the idea is not to SUFFER but somehow Christian thinking has got so hold of some women that they won't let go of the suffering. They think G-d loves their suffering and they are dying for the sins of these bad men.

Its ironic G-d doesn't want them to suffer yet they continue to do so.

Let's examine it.

G-d is the source of all goodness. It is through this goodness that this world was created including man and woman. Did G-d ask you to suffer when he stated everything he made is good?

**Beresheeth (Gen) 1:31** And Elohim/Powers saw everything that had been made, and, indeed, it was very good.

So if G-d did not want you to be happy then why did he create EVERYTHING good?

**Tehillim (Ps) 34:19** Many are the afflictions of the right-ruling: but YHWH rescue

him out of them all.

The right-ruling have many trials but it is G-d who delivers us out, no he doesn't prolong our suffering nor trials. The right-ruling are both male and female.

False theologies put people into suffering, bondage and slavery of the mind but true teachings of the Torah free both men and women everywhere.

**Tehillim (Ps) 119:67-68** Before I was afflicted I went astray: but now have I kept your word. **68** You are good, and do good; teach me your statutes.

The Scripture tells you that when you suffered you suffered because of taking wrong decisions while you did not have the Torah to guide you but now that you have the Torah for guidance you should suffer less from the wrong decisions.

So the women or men who want to be the SUFFERING SERVANTS they will continue to SUFFER indefinitely until they are dead but it's needless and not necessary.

These men and women must make good decisions for themselves and their bad marriages. Any bad marriage needs to be given no more than six months to one year of a person's life and if the situation looks bleak then it will remain bleak. Just like a bad business you cannot keep pouring good money into bad. If its bad, nor flourishing after six months you can be sure it won't flourish later either. All you will do is go more into debt if you put more money into a bad business. Then why would you prolong a bad marriage?

A woman is not a mirror and your husband/wife will not change overnight. I have seen couples struggle for years, nothing ever changed. The only thing that changed how old they got.

We don't need SUFFERING servants we need strong leaders from men, men who can make good decisions. If your wife is in Torah and is sometimes having a hard time you can help her and tell her why you love her and why you will not abandon her. Many foolish men are ready to abandon their wives for a significant other only to see the grass is not greener on the other side. Yes there is plural marriage but with a correct way to do it, that is why I wrote the book Patriarchal Marriage, Israel's right ruling way, methods and functions.

Why a man loves his wife he can tell her.

1. I love my wife because she makes the best cheesecake. One good reason.
2. I love my wife because she looks after my home. Two good reasons.
3. I love my wife because she makes me laugh. Three good reasons.
4. I love my wife because she looks after my children. Four good reasons.
5. I love my wife because she teaches me what it is like to be with bad people. Five good reasons.
6. I love my wife because she waits for me at dinner.
7. I love my wife because she looks out for my interest.
8. I love my wife because she washes my clothes, cooks my dinner, takes care of my business in the home.

These are many reasons to be with your wife who does these things.

Similar list for good husband's.

1. I love my husband because he makes sure the home is taken care of such as foods, bills etc.
2. I love my husband because he is thoughtful and loves me, shares good moments with me tells me his problems, makes me laugh.
3. I love my husband because when I go to bed at night he checks all the doors are locked in the house so that I am safe.
4. I love my husband because when something breaks in the home he gets it fixed and don't tell me wait till I have money or just puts it on an ignore list!
5. I love my husband because when that new Iphone comes out he offers to buy it for me.
6. I love my husband he is thoughtful when I am down he makes me laugh, when I am angry he tries to calm me down.
7. I love my husband because he takes me out to the ice cream parlous and to the local cinema for a change from the mundane.

These are all good reasons to be with your husband or wife.

If your husband hates you, refuses to listen to you, puts you down then how can that be a good model for the kids. You merely staying together is only destroying your kids lives!

What's the difference between a smart man and a stupid man? Nothing, they are both the same because both think they know everything.

Clearly from this one can understand good marriages are not with smart men but with understanding men the same as wives, good wives are not smart women but understanding women.

If practice makes perfect then why practice because nobody's perfect.

These are jokes...but there is irony in them if one sees it.

The same it's not to be with a perfect man or woman but with one who knows he's imperfect because an imperfect man will try to iron out his imperfections and continue to do so the rest of his life, he knows the Torah will perfect him but he will never be G-d as only G-d is perfect.

So how does a good man act?

When his wife who is learning Torah does something wrong does he correct her immediately?

No. If he was quick to correct her she would think he is trying to show her how good his knowledge is in the Torah and he is trying to put her down. Let's take an example.

Many so called Hebrew women in America shake hands with men, they hug men outside who are perhaps gentile or even Hebrew without realizing for a second that they or the men should not be hugging each other it's not permitted.

If a husband sees this in his wife and tried to correct it there and then he would be seen as embarrassing her in front of others. Shouldn't the Hebrew men and women know this not to hug and shake hands?

Clearly ignorant people behave ignorantly yet proclaim Torah. What if it is a gentile man who does not know this?

A good husband knowing full well that his wife did something wrong publicly would not say anything; he will control himself because a wise man knows how to use his wisdom.

**Mishle (Pro) 3:13** Happy is the man that finds wisdom, and the man that gets understanding.

Wisdom is not given to litter the streets contrary to popular belief!

Unless the man's wife asked him he would refrain from starting world war III with his wife who does not understand the tenants of the Torah or Halacha fully.

He's actually a wise man who did not put his wife down nor started a fight over shaking hands or hugs. What if his wife did not wear a head covering when she went out?

Once again a good man would correct his wife humbly but not harshly if she is the type to take correction. If she is the hard type he would refrain from saying anything. We have to learn to walk in shalom in the homes.

A good man will always pick his moment to talk to his wife when she is the most able to receive the correction or he will refrain from saying anything.

Does that change anything if he was harsh. No, he only ends up making his good wife or at least the good traits she has even worse. So if a woman is learning he must choose his moments wisely.

Hopefully these will help those that are struggling in their marriages. A marriage is a contract and just like a business contract a bad contract needs to be severed and left where it belongs so that a woman is with a man who is right for her life to nurture her and their children.

May the El of Y'sra'el guide you and increase those of you who obey His Torah.

### **What Else Have They Kept From Us?**

This book is as the result of an e-mail conversation with a lady who asked me some questions and one of her questions upon my answer was "What else have they kept from us?" This was the question that led to this book because instead of answering people with small sections of answers I decided the time had come that a book had to be written to answer and address everything as it happened from the start to the end so that many may

see that the deception is real and it's a deep cunning deception which starts from your TV screens, in your newspapers followed by wherever you go in your daily life. How would a person know that they are being deceived if they do not know what to look for? Its like a Ten Pound note well if you saw the original then you have something to compare the false note with but what if you were never presented with the original and always had the fake in your pocket then you will likely think the fake is real and this is how it is with Christianity today that is simply mixing paganism with truth. A false Ten pound note or a bad tender which will give you no value when you redeem it as I uncover it in the pages of this book. Who was Yahushua, the real Hebrews and Y'sra'el.

Today these things appear mythological but here we show you the methods and ways of how this lifestyle was practiced and is being restored in these last days while the much touted gentile monogamy is wrecking lives and destroying families and society around us. How many marriages are breaking down as a result of the wrong model and how many children are living fatherless lives while women live husbandless and unfulfilled lives. This book will show you why the Greek and Roman monogamy model with a husband and a wife and a bit on the side does not work. While Elohim's model of plural marriage is an everlasting model that not only works but saves many children from losing their father's and women from losing good husbands.

### **Hebrew Characters, The Power to have prayers answered**

Have you ever tried praying and find that either your prayers take very long time to answer or they don't get answered at all? In frustration you ask other friends to pray for you in hope that you may get an answer from G-d soon.

I have given considerable thought about the condition of our people and how many languish in poverty, in situations where they seek for help because they are given false dogmas, put in religious bondage and slavery of the mind and heart.

Many times they make their own lives harder because they have spent so much time in the nations that they just want to live like the gentiles and not Hebrew as they are unaware how to benefit themselves that await them. I know it can be a lonely road at times. Our Abba in the heavens feels our pain while we live in exile He sends the Shekinah to be with us. He longs for us to return back to the contracts that we may receive all the increases and benefits that are only meant for us.

However we pass our life by with this that and the other person who gives us no joy but we think maybe if we carry on suffering things will change for the better but things NEVER change. This book was written to help for a time such as this to better the lives of our people. To empower them with the right petitions to give them benefits and increases in employment, love, marriage and sickness. This will help you break the spells of witchcraft, dealing with jealous people around you and personal anger issues. This will help you deal with demonic presences in your homes. This will show you how to receive a timely answer to all your prayers. I have used these methods for my students all over the world which have proven successful for them and have greatly benefited them.

It takes many generations for a right-ruling priest to be born in our generations. How many generations our people have suffered the scourge of the curses for not obeying the Torah? Many are still suffering. The Most High is going to raise his priests one by one until we get our restoration complete. Rabbi Simon is of the priestly family born to help his people.

The Kohen is meant to be a benefit to the people of Y'sra'el and is one of the person's that has been given the authority to stand between the heavenly court and the earthly realm. Christian clergy has been lying to you for so long that you don't know what is good for you anymore. The Melekzadek priest's job is not to stand between the heaven and earth as you have been wrongly taught, his job is to be a King and serve justice on the earth with the Torah. While the Christian clergy teaches everyone can be a Melekzadek this is not the truth. Only the Kings of Israel can right hold that title, it's not for anyone else.

There is only one everlasting priesthood and that is the Lewitical one. This book has been written by a Lewitical priest of Beyth of Tzadok, its time you reap the benefits so decide wisely. Even if you are a gentile looking to become part of Israel by conversion the opportunity is open to you to obey the Torah and join us.

I want you all to benefit and to receive what rightly belongs to you.

I could have sold this book for \$100 a piece because everything in this manual would forever change your life once you put it in practice but I decided not to do that as my purpose was not that.

However this book is kept at a low price not for \$100, no, not even \$50 but for a price of \$27 only this will forever change the way you think and pray. I am practically giving this away for you to better your lives. The rest is up to you.
