

## **How do we know who is a Hebrew by Rabbi Simon Altaf Hakohen**

### **The nature of the true Hebrew and the nature of the Hamite**

Many a time questions are asked how can we be discerning who is a Shemite and who is a Hamite.

We need to understand that even after 2700 years of the exile of the Ten Northern tribes and the 2000 years of the dispersal of the southern tribes of Israel one thing does not change and that is people's nature. What nature the tribes carried then will still be found in our people who are shemites and Hebrew. The Children of Ham also carry their nature after the Egyptian devastation.

Therefore we can use this to assess our people. It's not just the colour of the skin but also the colour of one's nature that identifies true Israel amongst the dispersal.

When Israelites are going to walk according to the Torah in any particular way certain characters will come through. Also if they have any knowledge or love of the God of Israel then the following should be observed.

We are told in the Torah.

#### **Wa'Yikra (Lev) 19:11**

You shall not steal, neither deal falsely, neither lie one to another.

#### **Shemoth (Exo) 20:15 [Chet: Eight]**

You shall not steal.

Children of Ham - They will often lie to you, while a true Hebrew will not desire to lie to his fellow brother. This is a very important nature trait for those who are even half obeying the Torah.

If you notice that you have married a Hamite wife then this is one of the things that will come through. She will hide things and lie to you, you can be certain she is a Hamite. She may also steal whether in small amounts hiding money or in large amounts because she is a Hamite. This is how we separate the colour of skin from a Hamite and Shemite.

Do not be presumptuous thinking that in the Atlantic Slave trade Hamites were not taken because a mix went out just as in Egypt a mix left. The presumption that only Shemites left is an unproved one, both were carried away.

A Hamite will promote another god such as Jesus, while a Shemite will when told turn and only serve the Most High called YHWH in the Torah. He or She will not promote gentile god's like 'Jesus' or Allah. However if you are finding your Hamite

husband or wife refuses to let go of this false god called 'Jesus' or Allah then this is the problem at hand. They refuse to worship the real God of Israel.

**Devarim (Deut) 11:1**

Therefore You shall love YHWH Your POWER, and keep his charge, and his statutes, and his judgments, and his commandments, all the days.

Love is to give and not take. If you love God what will you give for him. As love is from the Hebrew word Ahav and its root is of Hav to give.

A true Hebrew may not understand everything but he has a willing heart to obey, this is the key difference between him and the Hamites.

**Shemoth (Exo) 7:14**

And YHWH said to Musa, Pharaoh's heart is hard; he refuses to let the people go.

**The hard heart syndrome**

A black Hamite will have a hard heart and will not want to serve God correctly but they are happy to serve Allah or the ethnically bleached white Jesus.

**Shemoth (Exodus) 22:31**

And you shall be set-apart men to Me: you shall not eat any meat which is torn by beasts in the field; you shall throw it to the **dogs**.

**Dogs**

They have 42 teeth.

They walk on their toes.

**To come and attack you without you knowing. They tip toe.**

They have four claws on their hind feet, and 5 on the front.

**-- They attack well**

They have two coats- an outer coat of coarse hair, and an inner coat of fine hair.

**-- The Gentile character of a proud high head, a deceiver, two tongues, speaks peacefully but comes to rule you.**

They have a keen sense of smell

**Mishle (Pro) 5:20**

And why will you, my son, be captivated with a strange woman, and embrace the bosom of a foreigner?

God said not to be enamoured with a strange woman, meaning a strange religious system that appeals to you is the false system not meant for you.

Hebrews run after the strange woman, while the gentiles know where there is profit to be made from this strange woman (religious system).

They have excellent hearing due to ear flaps called "leathers"

-- Of course as they can hear better if they turn from wickedness.

They can see colours, but not as clearly as we can

-- **Gentiles can see colours but don't always follow them.**

**Proof that the ancient Israelites were not militant!**

**We'Davar (Num) 14:2**

And all the children of Y'sra'el murmured against Musa and against Aharon: and the whole congregation said to them, Would Elohim that we had died in the land of Mitzrayim (Egypt)! Or would Elohim we had died in this wilderness!

The people who stand on street corners shouting down others and claiming they are Israelites are not Israel but the sons of Ham, who have nothing better to do but to rub their noses in mud and throw vulgarities at others.

They want to stand on street corners and pick fights with on goes, while real Israel never wanted to fight strangers as was written in the book of Numbers when the twelve spies returned all of Israel tribes complained and did not want to enter the land of Israel because they were not willing to fight.

This shows that ancient Israel was accustomed to live in Egypt in peace without any quarrel. While the modern street corner people, the so called Black Americans are not any part of ancient Israel. Ancient Israel would NEVER stand on street corners asking for fights claiming to enslave the gentiles and bow before them. These people who stand on street corners are the sons of Ham. The same Ham whose son Cush produced the first evil dictator Nimrod who wanted to rule the world and make everyone his slaves. Isn't this what the street corner claimants want?

May the wise ones of Israel learn to obey the God of Israel and walk in shalom in the nations until God restores them.

Dogs (Gentile Hamites) will continue to bark while real Israel submits to the Torah.

May the God of Y'sra'el guide you and increase those of you who obey His Torah.
