Torah – First five books of the Bible written by Moses

HTHS – All quotes from the Hidden-Truths Hebraic Study Scrolls unless otherwise specified.

While travelling on American Airlines, and finding that they did not get my kosher meal I decided to hold out on any food on my travels. The hostess was very polite, I told her its not a problem and that sometimes its better not to eat. Hence began my mini fast for the next 12 hours of the flight. All in all I had one small glass of orange and water before I decided on concentrating my mind on the Torah and focusing in. Then I got off at Tokyo to catch my connection to Manila, I had my faithful bottle of water with me to keep me company in case I got thirsty as Tokyo airport was very warm.

I sat observing the customs of the Japanese staff at the airport bowing towards the passengers before entering the check in counters. I asked the lady why do you do such a practice, it was to do with respect to the people there present.

Then came the next leg of the flight from Tokyo to Manila, then in Manila I had to go outside to catch my connection to a domestic airport at 11.30pm at night. I managed to ask a few people finding my coach to take me to the next terminal ready to go to Davao but flight was at 4am in the morning. So I sat there sipping my water and decided not to eat anything still as nothing of kosher quality was in sight.

I continued to study the Torah and make notes in all the paper I could find on me. At 2am I found the helpdesk to get my boarding passes and then ready to the onward journey. Arrived safely at Davao, Rabbi Co's face was a soothing sight in a foreign land with his wife. Baruch Hashem I was not starving, the Abbah kept me in pretty good shape throughout the endeavour. We stopped to catch some black tea. Then began our five hour trek to Surallah. I saw many interesting sights, coconuts trees, rice plantations, banana trees and many other weird and wonderful fruits on the way. I arrived in town then Rabbi Co my student decided to take me to Lake Cebu for an interesting site seeing trip and catch the local Tilapia fish meal. It was now almost two and a half days of travelling.

After a long journey of almost two and a half days I arrived in the Philippines at least my temp stay, I said definitely not the land of milk and honey but the land of the airborne insects and mosquitoes not forgetting the ants that took residence in my laptop under the keyboard.

After an overnight battle with insects, meeting the local mouse and lizard it was not worthy endeavour to kill the two and go on an all out war on them considering I was about to enter the Shabbat, while this was their home and I was the foreigner.

I decided that its best to move places to find a more conducive environment to study and teach Torah after the Shabbat so I made peace with the mouse and the lizard so they went on their merry way, while I left for greener pastures ahead. I went out shopping earlier

before the Shabbat stop realising the drivers here are not at all careful. We in England are used to our roundabouts and here the locals do not know how to drive at the roundabouts, doing completely the wrong thing.

They also seem to lack interest while on the road driving carelessly, they will suddenly cut you off or try to come in front without due regard or care. Overloaded cars, buses and the local taxi driven by a motorcycle powering a side seat carrier to carry passengers.

Its common to see 4 people on a motorcycle with the rider wearing no safety helmets or gear. Heaven forbid if he falls or have an accident he would end up in serious injury to him and his passengers. Well this is the Philippines. Now on to Europe and its woes.

Yirmeyah (Jeremiah) 49:10

But I have made Esaw naked, I have uncovered his secret places, and he shall not be able to hide himself: his seed is spoiled, and his brethren, and his neighbours, and he is not.

One might be mistaken to think this is talking about the Muslims alone but its not just talking about the radicals but also the so called sons of Esaw. You will find the sons of Esaw in Germany as well as in France. Now maybe you begun to understand the attacks.

After my article of 15 July, 2016, I had stated that Germany was also on the hit list for radical Muslim attacks. Not only had I written about it that 4 days later we had an attack in Germany of a young afghan by an axe.

And Today by an Iranian man killing nine people on 23rd July 2016.

It is important to understand that it is young men who are doing the attacks, hence when I stated when I wrote my book World War III, I made mention of the Muslim youth.

We will add one more country to the attack list of the radicals that will be the Netherlands...

This is all prophetic and is not without reason but I do not think we need to understand the reasons but instead be more vigilant for our nations where we live and the restoration of the children of Israel as it draws closer counting day by day.

The laws around reincarnation are in effect, you can kill the radicals and they will be reincarnated in different bodies, this is their task. This is not as simple as one being motivated to kill people, its much bigger than that.

Our God is in control of everything and directs the affairs of men.

May the El of Y'sra'el guide you and increase those of you who obey His Torah.

Have you been lied to about the true identity of Yahushua? Have you been shown pictures of the idolatrous Borgia Cesare and may have believed that this Caucasian hybrid was Yahushua What ethnicity was Yahushua and what race of people did He belong to? Is it important that we know His ethnicity? What colour was Moses, King David and King Solomon? Would you like to know because it affects your eternity and His true message then get this book now.

Hebrew Wisdom – Kabbalah

The book's purpose is to illustrate basic principles of Kabbalah and to reveal some of the Kabbalah symbolisms. We look at the Sefirot what they mean and how they apply to some of the teachings. We also look at the first chapter in Genesis and examine some of the symbols there. We examine the name of Elohim in Exodus 3:14 and see what it means.

The Apocrypha (With Pirke Avot 'Ethics of The Fathers')

World War III, The Second Exodus, Y'sra'el's return journey home

What Else Have They Kept From Us?

This book is as the result of an e-mail conversation with a lady who asked me some questions and one of her questions upon my answer was "What else have they kept from us?" This was the question that led to this book because instead of answering people with small sections of answers I decided the time had come that a book had to be written to answer and address everything as it happened from the start to the end so that many may see that the deception is real and it's a deep cunning deception which starts from your TV screens, in your newspapers followed by wherever you go in your daily life.

How would a person know that they are being deceived if they do not know what to look for? Its like a Ten Pound note well if you saw the original then you have something to compare the false note with but what if you were never presented with the original and always had the fake in your pocket then you will likely think the fake is real and this is how it is with Christianity today that is simply mixing paganism with truth. A false Ten pound note or a bad tender which will give you no value when you redeem it as I uncover it in the pages of this book. Who was Yahushua, the real Hebrews and Y'sra'el.

Patriarchal Marriage, Y'sra'el's Right-Ruling Way of Life, Methods and Practice

How did the Y'sra'elites live? What form of marriage did they practice and how did they practice it? This book is about to show you what was Elohim's design from the beginning and how the Y'sra'elites lived within Elohim's required parameters. Today these things appear mythological but here we show you the

methods and ways of how this lifestyle was practiced and is being restored in these last days while the much touted gentile monogamy is wrecking lives and destroying families and society around us. How many marriages are breaking down as a result of the wrong model and how many children are living fatherless lives while women live husbandless and unfulfilled lives. This book will show you why the Greek and Roman monogamy model with a husband and a wife and a bit on the side does not work. While Elohim's model of plural marriage is an everlasting model that not only works but saves many children from losing their father's and women from losing good husbands.

The Scroll of Yahubel (Jubilees)

The information that is missing in the Torah has been put in here to aid us in understanding the book of Genesis more. There are gaps in Genesis with what happened with Noah? What was going on in Moses's time? This scroll allows us to piece together that information that is so important for our understanding. True names edition with many corrections made.

Hebrew Characters, The Power to have prayers answered

Have you ever tried praying and find that either your prayers take very long time to answer or they don't get answered at all? In frustration you ask other friends to pray for you in hope that you may get an answer from G-d soon. I have given considerable thought about the condition of our people and how many languish in poverty, in situations where they seek for help because they are given false dogmas, put in religious bondage and slavery of the mind and heart.

Many times they make their own lives harder because they have spent so much time in the nations that they just want to live like the gentiles and not Hebrew as they are unaware how to benefit themselves that await them. I know it can be a lonely road at times. Our Abbah in the heavens feels our pain while we live in exile He sends the Shekinah to be with us. He longs for us to return back to the contracts that we may receive all the increases and benefits that are only meant for us.

However we pass our life by with this that and the other person who gives us no joy but we think maybe if we carry on suffering things will change for the better but things NEVER change. This book was written to help for a time such as this to better the lives of our people. To empower them with the right petitions to give them benefits and increases in employment, love, marriage and sickness. This will help you break the spells of witchcraft, dealing with jealous people around you and personal anger issues. This will help you deal with demonic presences in your homes. This will show you how to receive a timely answer to all your prayers. I have used these methods for my students all over the world which have proven successful for them and have greatly benefited them.

It takes many generations for a right-ruling priest to be born in our generations. How many generations our people have suffered the scourge of the curses for not obeying the Torah? Many are still suffering. The Most High is going to raise his priests one by one until we get our restoration complete. Rabbi Simon is of the priestly family born to help his people.

The Kohen is meant to be a benefit to the people of Y'sra'el and is one of the person's that has been given the authority to stand between the heavenly court and the earthly realm. Christian clergy has been lying to you for so long that

you don't know what is good for you anymore. The Melekezadek priest's job is not to stand between the heaven and earth as you have been wrongly taught, his job is to be a King and serve justice on the earth with the Torah. While the Christian clergy teaches everyone can be a Melekezadek this is not the truth. Only the Kings of Israel can rightly hold that title, it's not for anyone else. There is only one everlasting priesthood and that is the Levitical one. This book has been written by a Levitical priest of Beyth of Tzadok, its time you reap the benefits so decide wisely. Even if you are a gentile looking to become part of Israel by conversion the opportunity is open to you to obey the Torah and join us.

I want you all to benefit and to receive what rightly belongs to you. I could have sold this book for \$100 a piece because everything in this manual would forever change your life once you put it in practice but I decided not to do that as my purpose was not that.

However this book is kept at a low price not for \$100, no, not even \$50 but for a price of \$27 only this will forever change the way you think and pray. I am practically giving this away for you to better your lives. The rest is up to you.

Now that I know I am a Hebrew

You don't just wake up one day and say You are a Hebrew. Being Hebrew brings many processes that need to be completed before you are finally cleaned up as the Abba desires to fulfil your responsibilities. This book is in the hope to help many of our people who are Hebrews and desiring the change to rid them of idolatry and clean up to present to the Abba a sacrifice with sweet aroma so that they may serve Him faithfully according to His desire! Are you willing to make the sacrifices required to follow the G-d of Israel?

Religious Confusion and the Everlasting Path to the Torah

Everyone claims their religion is the truth or you will go to hell. The Torah makes only one claim that G-d is interested in our world affairs.

All those that are confused about which religion to follow there is only one voice of G-d and that voice is found in the Torah of Moses. For your eternal rest and peace in your life choose the Torah. This book helps you to make the wise choice to help your life.
