

## Waiting upon G-d by Rabbi Simon Altaf Hakohen

Written 22 July 2014

Released 30, July 2014

### Terms:

**Torah** – These are the first five books in the Bible written by Moses (Genesis, Exodus, Leviticus, Numbers and Deuteronomy contained in every Christian Bible but vastly ignored by Christians) – Since Torah is instruction in Rabbinic understanding it can encompass all the books up to Second Chronicles or Malachi in the Christian Bible.

**Tanak** (Sacred Scriptures from Beresheeth (Genesis) to Dibre Ha Yamim Bet (Second Chronicles) No other books can be called Sacred or scripture.

**YHWH** - The four letters of the sacred name of G-d.

**HTHS** – All quotes using the Hidden-Truths Hebraic Scrolls unless otherwise indicated, this can be acquired from Amazon or [www.african-israel.com](http://www.african-israel.com).

**Note, we do not give the gentiles a right to translate and corrupt our scrolls that were given to us (True Y'sra'el). Christendom and their myriads of denominations for far too long have corrupted and misinterpreted our ordinances, commandments and statutes not differentiating between secular and sacred not separating the clean from the unclean. Woe onto them.**

**We'Yikra (Lev) 10:10** And that you may distinguish between set-apart and not set-apart, and between clean and unclean.

---

You may have come across people as I have many times who tell you that they are waiting upon G-d for something to happen.

The problem is this that Elohim has given us the scriptures. The Tanak is complete. The Torah has everything that we need. Then why is it that we still have to wait upon G-d to do something?

This is a deep deception that a lot of our people get sucked into. Believe it or not this is another classic Christian deception.

G-d has given us intelligence, understanding of who he is and on top we have the complete Tanak with all the examples of daily living. This means we have everything at our disposal so what You waiting for?

**Yirmeyah (Jer) 10:19** Woe is me for my hurt! My wound is grievous: but I said, Truly this is a grief, and I must bear it.

Jeremiah could say woe is me because he was made to see Y'sra'el's suffering but what excuse do you have?

YHWH even tells you the following:

**Mishle (Prov) 6:6** Go to the ant, you sluggard; consider her ways, and be wise:

Why is G-d telling you to look at the ant? This is because even the ant has been given wisdom to decide what is inert in her being. She does not have the Torah but inner wisdom. While you Y'sra'el have the Torah and yet you cannot decide.

I had a man who wrote to me saying that he was deceived by some wayward Hebrew Israelites in the past who had guided him wrong about immersion and the ways of Elohim and in that now he had to take the immersion again as he did not take it with an oath to uphold the Torah which is a prerequisite for you cannot uphold the yoke of heavens without swearing an oath to do so. The poor fellow was saying that he is elderly and did not have the finances to travel from one State to another and therefore had to wait upon G-d.

This is precisely my point. Why would you wait upon G-d when opportunity presents itself? Why is G-d giving the example of the ant? To show us that there are many times when we can take action and we should. We do not need to wait upon G-d for every thing that comes along. Or do you suppose G-d should write another Torah for you?

Think about it.

**Mishle (Prov) 6:9** How long will you sleep, O sluggard? When will you arise out of your sleep?

This is how many of our people are just sleeping with a permanent sign of “Do not disturb”, happily snoring away like no end to the world. They pretend that everything will be OK tomorrow when they are not prepared to take any action today!

**Mishle (Prov) 6:11** So shall your poverty come as a robber, and your need as an armed man.

This is one reason why our people are so poor. They don't take ACTION. YES sit on your laurels hoping for the best and that best just never arrives. Its time to take ACTION and ACT upon the TORAH. DON'T just let it sit on your shelf and do nothing in your life just hoping for the hope to have something better.

If I had done that I would still be uneducated and driving a Taxi. Yes that was my job when I was studying in University to pay for my fees. I didn't just hope I worked hard for that hope that I was going to succeed no matter what. I knew my self that I was not going to sit there and blame my mother, my father for not being able to send me to university in England. I decided to take action and ACT I did. I started studying in night school, I worked two jobs I did everything G-d had given me in my power. I petitioned to G-d to give me strength to prove myself. I did not wait upon G-d and hope for the best unlike many others. The sure way to fail is to DO NOTHING.

I said to G-d I am going to do it. While everyone else joked around me and said he is 29 years old and he is going to school, is he crazy. Why is he going to school now why can't he just be content with his daily job and continue to live with his family? My own family members, my uncles, aunties talked behind my back negatively. But I said to myself if it's the last thing I do I am going to succeed. I am going to show these people that I am someone and somebody and not an anybody. Also know that age does not matter, if I can succeed and so can You.

I worked day and night, I kept my books in my taxi while I worked, I studied them, while I was driving a passenger to his place I was reciting formulas in my head for my grades. I was asking myself questions about binary numbers and answering them for my Engineering degree. Later I would sit and write the answers down. I was unstoppable! That is what you need to be, UNSTOPPABLE. Do Good and never stop.

**Yahoshua (Jos) 24:20** If you forsake YHWH, and serve strange powers, then he will turn and do you hurt, and consume you, after that he has done you good.

The only one that does us Good is our Elohim. We must never forget that.

When I succeeded in my life and ended up from a low menial job to a \$100,000 six figure salary then you can bet everyone came to me in droves. I was the talk of the town of this man who came from nowhere suddenly jumped so high, how is that possible they asked. Little they realized I was someone special in G-d's eyes. I said to myself privately "Some one up there likes me".

My door was being knocked upon by strangers in town who would bring their children to me to teach them how to succeed. People realized I had something that they did not have. I did help them and made sure they too received good instructions. I was never biased to hold good to myself only.

Yesterday a stranger called to me and started talking to me 21<sup>st</sup> July 2014 during my lunch break. He was an Indian man who could read foreheads. This is technique in the

East and some people in the East are good with it. He started to tell me how many brothers I had, how many children etc. He told me my name begins with S. He said to me you worry about other people's wellbeing but you don't worry about yourself. He said money comes to you one hand and goes out the other, he said you help many people. He said G-d has highly favoured you. I said yes he has. He thought I was a Muslim that bit he got totally wrong. I said no I serve the G-d of Israel. He did not understand what an Israelite is. He basically was after getting £101. I gave him £10 towards some orphans in India, I said take it or leave it I will not give you £101 when I have money reserved for my people. He said can he pray for me. I said no, you will not pray for me as I have my G-d who I am under. I said I do not allow gentiles to pray for me.

I told him the giver of money is our G-d and I trust him fully so I am not worried about tomorrow. I told him my tomorrow is sorted out TODAY. I told him you do not know who you are talking to, I am no ordinary person but let's leave that conversation, you go your way I go mine. He said maybe one day we share a meal and I said yes as G-d wills. He shook hands with me and departed.

You see I am a Kohen, it is my job to do GOOD. I know what my tomorrow will bring but I do not just sit on TODAY and hope for the best. I work on my tomorrow too as far as business is concerned. The man told me nothing new. G-d has shown me many years ago he was going to take me to the heights and I was going to serve him. He showed me pleasure is not in the heights but in his bosom. Wow, I grabbed hold of that and I never let go of G-d's fringes. I clung to him like a little child and said I will never let you go, you cannot leave me. He said to me "I will not forsake you." Y'sra'el, G-d has not forsaken you, don't allow your circumstances to dictate to you your life. Make that change today and act NOW.

A brother in Hawaii who is searching for that new wife in China or Japan, how will he ever find a wife if he don't get off his backside and make the effort to look? How will his home situation resolve if he don't put his foot down? DOING nothing is the killer of our people's hopes and dreams. Saying words like "I will wait upon G-d" is just a copout.

I had accepted many years ago that I would serve G-d no matter what. This is why he called me when I was on that \$100,000 (six figure salary). What better time to call someone when he is riding high. And I did not forget my past and I walked with G-d in his Torah and declared to everyone I serve the G-d of Israel without fear.

I did not hang about like a sluggard and say "woe is me" now what do I do, lose my family, and lose my home that I had worked so hard for. Why should I utter these words, "woe is me" or the copout "let me wait upon G-d" when G-d is calling me. He had increased me so much that he had given me life, wealth and everything someone could ask for, I had two cars parked in my driveway at one time one brand new Mercedes worth \$45,000 and a BMW worth \$12,000. My house had the best you could find in town but I never forgot who gave that to me, the Most High. I never stopped from helping those that came to me. I always remembered who I was and what is my mission in life as G-d unfolded it more and more to me. You have to remember not too long before that I had a

banger of a car Nissan Sunny parked in my drive that cost me \$300 and when I got my first job working for Microsoft as an Engineer I used to hide the car amidst the Mercedes and other luxury cars parked in the Car park right at the back so no one could see my old dilapidated looking car.

I decided to repeat the experiment with my youngest brother and cousin. I realized I had something special in my favour and I could use that to do GOOD for anyone on the planet. So just to convince myself I wasn't mistaken, I asked my brother to follow my direction and to ditch his ATM teller job that was paying a small salary to him. He listened carefully what I had to tell him and he followed my directions. Today he drives a \$30,000 Mercedes and earns over \$85,000 annually. That was me who did that. Then I tried the experiment with my cousin and I told him to ditch his electronics degree and join another Engineering degree program in IT. I then guided him instrumentally in that today he is working in a permanent position earning some \$60,000.

However know this the one that came out on top in everything salary and everything else was always going to be me because I had the secret and I had the Most High. Then I thought my system works every time. So it tried it with a few other family members and I hit gold every time. However after I had returned to the contracts of my forefathers Abraham, Isaac and Jacob I never looked back.

Now there was one thing though that nothing happens by chance. Some of my other family members got very good degrees but alas no one even came close to what I had or even in success terms. This all boils down to leadership and know how given to me by YHWH himself and what my position is with him. All of it I attribute to him. I was the man in 1997 that just picked up a phone on a bet with my Ghanaian friend and got a job in New York City from my bedroom with a major financial banking institution. How many can boast of that kind of success? I said to my wife before I left New York in 1997 I will have jobs lined up in London no problem, she said how, I said you leave that to me and on landing at the airport I had three financial banks interviewing me, two offered the job, one of \$100,000. That is the kind of success that my family has witnessed in my life and there heads of course spinning in how does this man do it. This is how by helping the needy I got respect from all levels in society including Muslims who would normally hate converts but the reality is many Muslims respect me. Do you see the power of Torah? It's a power few know how to unleash.

I have written a book called "Hebrew Letters, the Power to have your prayers answered." This will be a major breakthrough for all those trying to find success and happiness in their lives. This book is what I gleaned over the years in which I pack some of my secrets and I will be releasing it soon in the next couple of weeks so watch this space as many people's lives are about to be radically changed and no I am not going to charge \$100 for it, no not even \$50 (The book is available on Amazon). I am not selfish and I will do Good and be an example to the lost and those searching for YHWH who created his Kohanim for Good and as a gift to the people to guide them.

The irony is that the book is entirely based on scripture and of course the Hebrew language of my forefathers.

So I say to you sluggards out there stop wasting time and saying to yourselves “Woe is me” or using the excuse “I am waiting on G-d.” If you are with a bad spouse then get rid of that spouse. If you are with a bad family then move out, if you are looking for that job then go get that job. TAKE ACTION. Even in the most hopeless situation there is hope.

Iyob (Job) 15:3 Should he reason with unprofitable talk? Or with speeches wherewith he can do no good?

Its time to stop the vain unprofitable speeches and take ACTION.

It takes generations before a leader is born. Its time for our people of Y'sra'el to be led back to the Torah for our restoration to the ancient paths and one day to our ancient land and I mean business!

May the El of Y'sra'el guide you and increase those of you who obey His Torah.

And many more questions answered. The time has come to expose the errors of others.

### **What Else Have They Kept From Us?**

This book is as the result of an e-mail conversation with a lady who asked me some questions and one of her questions upon my answer was "What else have they kept from us?" This was the question that led to this book because instead of answering people with small sections of answers I decided the time had come that a book had to be written to answer and address everything as it happened from the start to the end so that many may see that the deception is real and it's a deep cunning deception which starts from your TV screens, in your newspapers followed by wherever you go in your daily life.

How would a person know that they are being deceived if they do not know what to look for? Its like a Ten Pound note well if you saw the original then you have something to compare the false note with but what if you were never presented with the original and always had the fake in your pocket then you will likely think the fake is real and this is how it is with Christianity today that is simply mixing paganism with truth. A false Ten pound note or a bad tender which will give you no value when you redeem it as I uncover it in the pages of this book. Who was Yahushua, the real Hebrews and Y'sra'el.

### **Patriarchal Marriage, Y'sra'el's Right-Ruling Way of Life, Methods and Practice**

How did the Y'sra'elites live? What form of marriage did they practice and how did they practice it? This book is about to show you what was Elohim's design from the beginning and how the Y'sra'elites lived within Elohim's required parameters. Today these things appear mythological but here we show you the methods and ways of how this lifestyle was practiced and is being restored in these last days while the much touted gentile monogamy is wrecking lives and destroying families and society around us. How many marriages are breaking down as a result of the wrong model and how many children are living fatherless lives while women live husbandless and unfulfilled lives. This book will show you why the Greek and Roman monogamy model with a husband and a wife and a bit on the side does not work. While Elohim's model of plural marriage is an everlasting model that not only works but saves many children from losing their father's and women from losing good husbands.

### **Paul of Tarsus - The Thirteenth Apostle**

We examine if Paul is an apostle and if Pauline epistles match teachings out of the Torah and with the sayings of the rabbi Yahushua. We also show you what the Catholic Church has been hiding from you. You may be surprised to learn that things are not what they seem and you may have been deceived all this time. It's time for the deception to lift and for you to return to the ancient paths.

### **Hebrew Characters, The Power to have prayers answered**

Have you ever tried praying and find that either your prayers take very long time to answer or they don't get answered at all? In frustration you ask other friends to pray for you in hope that you may get an answer from G-d soon.

I have given considerable thought about the condition of our people and how many languish in poverty, in situations where they seek for help because they are given false dogmas, put in religious bondage and slavery of the mind and heart. Many times they make their own lives harder because they have spent so much time in the nations that they just want to live like the gentiles and not Hebrew as they are unaware how to benefit themselves that await them. I know it can be a lonely road at times. Our Abbah in the heavens feels our pain while we live in exile He sends the Shekinah to be with us. He longs for us to return back to the contracts that we may receive all the increases and benefits that are only meant for us.

However we pass our life by with this that and the other person who gives us no joy but we think maybe if we carry on suffering things will change for the better but things NEVER change. This book was written to help for a time such as this to better the lives of our people. To empower them with the right petitions to give them benefits and increases in employment, love, marriage and sickness. This will help you break the spells of witchcraft, dealing with jealous people around

you and personal anger issues. This will help you deal with demonic presences in your homes. This will show you how to receive a timely answer to all your prayers. I have used these methods for my students all over the world which have proven successful for them and have greatly benefited them.

It takes many generations for a right-ruling priest to be born in our generations. How many generations our people have suffered the scourge of the curses for not obeying the Torah? Many are still suffering. The Most High is going to raise his priests one by one until we get our restoration complete. Rabbi Simon is of the priestly family born to help his people.

The Kohen is meant to be a benefit to the people of Y'sra'el and is one of the person's that has been given the authority to stand between the heavenly court and the earthly realm. Christian clergy has been lying to you for so long that you don't know what is good for you anymore. The Melekzadek priest's job is not to stand between the heaven and earth as you have been wrongly taught, his job is to be a King and serve justice on the earth with the Torah. While the Christian clergy teaches everyone can be a Melekzadek this is not the truth. Only the Kings of Israel can right hold that title, it's not for anyone else.

There is only one everlasting priesthood and that is the Lewitical one. This book has been written by a Lewitical priest of Beyth of Tzadok, its time you reap the benefits so decide wisely. Even if you are a gentile looking to become part of Israel by conversion the opportunity is open to you to obey the Torah and join us.

I want you all to benefit and to receive what rightly belongs to you.

I could have sold this book for \$100 a piece because everything in this manual would forever change your life once you put it in practice but I decided not to do that as my purpose was not that.

However this book is kept at a low price not for \$100, no, not even \$50 but for a price of \$27 only this will forever change the way you think and pray. I am practically giving this away for you to better your lives. The rest is up to you.
