

The Sabbath start and End, Dawn or Sunset by Rabbi Simon Altaf Hakohen

28, Dec 2013

Amended 30, Oct 2015

Torah – These are the first five books in the Bible written by Moses (Genesis, Exodus, Leviticus, Numbers and Deuteronomy contained in every Christian Bible but vastly ignored by Christians) – Since Torah is instruction in Rabbinic understanding it can encompass all the books up to Malachi.

Tanak (Scriptures from Beresheeth (Genesis) to Dibre Ha Yamim Bet (Second Chronicles))

YHWH - The four letters of the sacred name of God.

HTHS – All quotes using the Hidden-Truths Hebraic Scrolls unless otherwise indicated, this can be acquired from Amazon or www.african-israel.com.

Note, we do not give the gentiles a right to translate and corrupt our scrolls that were given to us (True Y'sra'el). Christendom and their myriads of denominations for far too long have corrupted and misinterpreted our ordinances, commandments and statutes not differentiating between secular and sacred not separating the clean from the unclean. Woe onto them.

We'Yikra (Lev) 10:10 And that you may distinguish between set-apart and not set-apart, and between clean and unclean

Sabbath - How long is it and when does it start?

Most people are going to get confused at the following passage and all their subsequent theology is built upon this one verse which I will prove here is quite a wrong way to look at things. Let us look at the plain reading of the text.

Beresheeth (Gen) 1:5 Elohim/Powers called the light Day,¹ and the darkness² He called Night. So the evening and the morning were Yom Akhad (Day one).

Read the previous verse what was revealed first, THE LIGHT.

Beresheeth (Gen) 1:3 And Elohim/Powers said, Light be; and light was.

So what was created First? Light. Elohim created ten things originally according to the Talmudic literature and one of them was LIGHT.

That means it is LIGHT that is counted as DAY.

¹ Note the Hebrew day begins with **sunrise** and this does not define a sunset day. This simply shows you how the night is married to the day but is a separate part called "darkness" and in the Hebrew Khoshek. and ends at sunset. A clear drash of troubles in our life followed by the brilliant light of Messiah and rejoicing in the Millennium.

² A separate part of the Day called Khoshek, in which everything comes to rest. Note the Temple times were Sunrise day and not sunset day.

Beresheeth (Gen) 1:2 The land was desolate, and chaotic; and **darkness was on the face of the deep**. And the Ruakh of Elohim/Powers (Set-Apart Spirit) was fluttering over the face of the mayim.

Note that it is darkness on the face of the Sea but YHWH never called the Darkness DAY, darkness was the inactive part of the DAY called "night".

Look at Tikkun Chatzot midnight petition, its whole purpose is to bemoan and afflict ourselves for the destruction of the Temples and for our exile. Yet the Sabbath is commanded as a Delight. So would you be crying and beating your chest during or after the weekly Sabbath? This is why when the Sabbath was switched in 45 BCE because the Yahudim started following the Julian Calendar imposed by the Romans and before that the sunset to sunset calendar imposed by the Greeks in 175 BCE to forcefully remove our original patriarchal Calendar of Chanok. The Calendar of Chanok which we will look at later is a priestly calendar and is so perfectly designed to work with the sun and is calibrated not to lose time.

Yeshayahu (Isa) 58:13 If you turn away your foot from the Sabbath, from doing your pleasure on my Set-Apart day; and call the Sabbath a delight, the Set-Apart of YHWH, honorable; and shall respect him, not doing your own ways, nor finding your own pleasure, nor speaking your own words:

How can you work on the Sabbath if it night time? Clearly the inference of the message is not to do your things and they could only have been done during the LIGHT hours of the day and not NIGHT hours. This is why if you were going to go shopping in ancient times you would go at the DAY light hours. In ancient middle-east and African cultures people went shopping in the morning or early evening to avoid the heat. In ancient Israel and neither in the wilderness you would not go for a walk at NIGHT. This is why things must be seen in their correct context.

A Sabbath does not automatically equal 12 hours, 24 hours or even 360 days. If someone said the Sabbath is 24 hours they are quite mistaken, an hour does not equal sixty minutes and in ancient time we did not go by hours but using a sun dial we were able to divide the day up to equal portions. The day was divided into twelve parts so an ancient hour was 1/12th of a day. That may well be sixty minutes, seventy minutes or even ninety minutes. Since if you consider the sun light varies in different countries and at different times of the year. In England e.g., summer time the morning sunrise begins around 6am and sun light does not go out until around 10.30pm. Now if you count that is sixteen and a half hours of day light instead of twelve hours standard.

If we were to be honest the Torah does not give us a complete definition of the Sabbath but defines what I just stated above. We the Lewites were given instructions on how to define the Sabbath and this was taught to us. We were shown the difference between Day and Night so we knew what is DAY (Light) and what is a night (Darkness).

Weekly Sabbath -12 hours

The Yearly Sabbath - the festival of Atonement Yom Kippurim : 24 hours

Seven yearly Sabbaths - The Shemita the complete 7 times 7 according to the Chanok Calendar.

The Enoch calendar is 360 days plus four to make 364 as per the Enochian year. One extra day is added every 90 days to balance out the four seasons. The four days that are added are not counted in the timeline.

The definition of a Yom can mean a day for that day is both day (light) and night (darkness) both are separate parts of it.

Shemoth (Exo) 20:8 [Dalet: Four] Remember³ the Sabbath day [Light], to keep it set-apart.

Note what I told you earlier that God never called **darkness** DAY so he had to create the LIGHT. Here we are told to remember the Day [Light part]. Let me read for you the Hebrew to point out an important point.

Exo 20:8 זכור את־יום השבת לקדשו:
Zikor ET Yom Ha-Shabbat Le'Kodesh

Note we are told to Remember the Day [Light], we are never told to remember the night [darkness]. The darkness which was called "the Night" necessitated the creation of LIGHT, which was subsequently called DAY so Day and LIGHT are synonymous terms but we are only commanded to remember the DAY (Light).

Gen 1:4 וירא אלהים את־האור כִּי־טוב ויבדל אלהים בין האור ובין החשך:

Ve'Ra Elohim ET Ha'aur Ke Tov Weh'badal Elohim Bein Ha'aur, Weh'Bein Ha'Khoshek.

Since the light has already been created God did not have to recreate the light so he merely separated it. Well why separate it? Since in the night darkness time we cannot do anything but rest therefore it requires to be separated. Allegorically it also represents the evil wicked one and his activities which he tries to do in the darkness.

Why do thieves steal at night, is that mere coincidence?

Note most acts of immorality are always carried out in DARKNESS. Do you see now why it then needs to be separated! So this is a separation of the light or set-apart people allegorically and the wicked ones too.

When does the New Day start

Shemoth (Exo) 32:4-5 And he received the gold from their hand, and he fashioned it with an engraving tool, and made a molded calf. Then they said, This is your elohi, O Y'sra'el that brought you out of the land of Mitzrayim (Egypt). **5** So when Aharon saw it, he built an altar before it. And Aharon made a proclamation and said, Tomorrow is a feast khag (appointed celebration time) to YHWH.

³ This is a seal of a believer, hence it is mentioned as number four, because it is a contract sign in the Ten. Anyone who claims to be a believer but does not keep the 7th day Sabbath will have a very lowly status if allowed to enter the kingdom. It's not just about reciting a four line rescue prayer, and then doing what you like, as in the present is erroneously taught in church/man's dogma.

When the children of Y'sra'el built the golden calf or more properly the goddess Hathor notice Aharon builds the Altar in the day time when its light but does not say the feast is TODAY because if the new DAY began at SUNSET then surely why would he say the feast is TOMORROW. Because the days always BEGAN at first sunlight or SUNRISE. The Sun is what determines the DAY not the sunset.

I want to point out one more thing that the children of Y'sra'el had no problem serving the goddess Hathor who was a female in reality. So what does that mean? It means YHWH cannot be strictly displayed as masculine, he has to have a feminine side and that feminine side is Em Chukmah (Holy Spirit) and the children of Y'sra'el recognised that so who was the statue Hathor of? It was of the Holy Spirit, in other words the Ruakh Ha Kadosh. That is what Aharon had helped to build or what we may term the Shekinah that is feminine side of God.

How can I prove this? Easy. What actions do they carry out in front of the feminine goddess? They strip, they dance and they have an orgy. In other words it was mainly sexual so what type of deity would be suited to doing a sexual act for males? A female deity.

Remember the gentiles around Y'sra'el that worshipped male deities they did not do sexual acts but they did child sacrifices. This is an important observation. Another important observation can be made in ancient times when YHWH's altar was defiled it was always by Ishtar who was a female goddess. Third point the artefacts found in antiquities have shown in many instances YHWH's name associated with either Ishtar or another female deity who is referred to as his consort. This means this was well recognised in Y'sra'elite history. We were not misogynists like many today believe.

The Day begins at Sunrise

Shemoth (Exodus) 16:23 And he said to them, This is what YHWH has said, **Tomorrow is a Sabbath rest**, a set-apart Sabbath to YHWH; bake what you will bake TODAY,⁴ and boil what you will boil; and lay up for yourselves all that remains, to be kept until morning.

Note, the Y'sra'elites are being told TOMORROW is the Sabbath, Tomorrow when? That would be SUNRISE. If the day started at sunset they would have been told Today at Sunset is the Sabbath but were not told this. The instruction was to wait until MORNING. This clearly explains the beginning of the new day is Sunrise, it would be wrong to argue this point its clear as day light.

The Messiah said the day has 12 hours which does not disqualify the day as comprising morning/evening.

⁴ There is to be no lighting of fire for cooking on the Sabbath, so all cooking must be done before the start of the Sabbath, Saturday sunrise until Sunday sunrise. The Sabbath was switched to Friday sunset to Saturday sunset after Antiochus invaded Y'sra'el and forced the people to give up the Torah and had many families killed. You can warm up food cooked on the previous day, not by lighting a gas fire; but on an electric hot plate, or in microwave oven, or have food the whole Sabbath warmed in a crock pot that runs with electric. No business transactions must be executed on the Sabbath either. It must be kept a set-apart day for YHWH.

Everyone understood what the designation day means in Torah always referring to Sunrise.

So Beresheet 1:5 Elohim/Powers called the light Day, and the darkness He called Night. So the evening and the morning were Yom Akhad (Day one).

It is a mistake to assume day begins from sunset since this was forced upon the Hebrew people by the Greeks, they had a sunset to sunset day from that point onwards and not before that.

Everything in the Temple began from sunrise that is how they calculated their day and the others calculated from sunset.

Nekhem'yah shows us the day ended at sunset.

Neh 13:19 And it came to pass, that when the gates of Yerushalim began to be **dark before the Sabbath**, I commanded that the gates should be shut, and charged that they should not be opened till after the Sabbath: and some of my servants I set at the gates, that there should no burden be brought in on the Sabbath day.

Till after the Sabbath - Meaning Sabbath finished at sunset and the new day would not start again until the next sunrise.

Note weekly Sabbath commencing sunrise since the gates were shut means this is the end of the day sunlight period! No further business would be conducted. So the gates would only be reopened at the sunrise when the new day began. Why would merchants try to sell merchandise at night in ancient Israel? There was no proper form of light and people did not venture out for fear of being robbed.

The day (Light) ended by sunset but the complete yom period was still around 24 hours and would continue until next sunrise.

Sedom and Amarah in their **Day of Judgment**.

God judged Sedom and Amarah in the day light hours when everyone could see fire coming down on Sedom out of heaven.

It is called Day of Judgment, in the Hebrew Yom ha Din but if it was the Night of Judgment it would be called **Layla Ha Din**, the Hebrew does not leave us in doubt. These help to explain that the Yom always refers to the LIGHT part of the day.

Day is roughly 12 hours

Gen 22:4 Then on the **third day** Abraham lifted up his eyes, and saw the place afar off.

וישכם אברהם בבקר ויחבש

Vah Yashkem Abraham ba boker...VE'Ya Khamosh

Then on the third day or on the Third morning. It does not say on the third day meaning evening when Abraham could not see anything at night.

This is important as a new day did not start at "sunset".

The same day (light) ended and the evening part was of the same day that continued.

Pliny an Italian who lived during 23 CE to 79 CE stated the Babylonians celebrated their day sunrise to sunrise so the idea that they did a sunset day is a total misquotation. It was the Greeks who worked their day sunset to sunset.

Sabbath day confirmed in the ritual uncleanness laws

We'Yikra (Lev) 11:24 And for these you shall be unclean: whosoever touches the carcass of them shall be **unclean until the evening**.

Why Evening? Because a typical Yom (Day light) ends at SUNSET. It does not continue to the next sunset. If the day started at sunrise it makes sense it ends at sunset as the night part of the day though the same day but is a separate portion of the day making it akhad (One in unity). The Day (Light) and Night (Darkness) have to be married to make one complete day.

You may ask can we do things on the evening sunset on before a sunrise Sabbath, the answer is yes.

Yes you can cook, clean, Hoover your home, etc no problem.

Conclusion

The original Sabbath was sunrise to sunset and never sunset to sunset a day which was brought after the Grecian captivity and forced upon our people which seems to have stuck with many while the zealots and Essenes (The true house of Zadok) never followed any such day.

May the El of Y'sra'el guide you and increase those of you who obey His Torah.

What Else Have They Kept From Us?

This book is as the result of an e-mail conversation with a lady who asked me some questions and one of her questions upon my answer was “What else have they kept from us?” This was the question that led to this book because instead of answering people with small sections of answers I decided the time had come that a book had to be written to answer and address everything as it happened from the start to the end so that many may see that the deception is real and it’s a deep cunning deception which starts from your TV screens, in your newspapers followed by wherever you go in your daily life.

How would a person know that they are being deceived if they do not know what to look for? Its like a Ten Pound note well if you saw the original then you have something to compare the false note with but what if you were never presented with the original and always had the fake in your pocket then you will likely think the fake is real and this is how it is with Christianity today that is simply mixing paganism with truth. A false Ten pound note or a bad tender which will give you no value when you redeem it as I uncover it in the pages of this book. Who was Yahushua, the real Hebrews and Y’sra’el.

Today these things appear mythological but here we show you the methods and ways of how this lifestyle was practiced and is being restored in these last days while the much touted gentile monogamy is wrecking lives and destroying families and society around us. How many marriages are breaking down as a result of the wrong model and how many children are living fatherless lives while women live husbandless and unfulfilled lives. This book will show you why the Greek and Roman monogamy model with a husband and a wife and a bit on the side does not work. While Elohim's model of plural marriage is an everlasting model that not only works but saves many children from losing their father's and women from losing good husbands.

Hebrew Characters, The Power to have prayers answered

Have you ever tried praying and find that either your prayers take very long time to answer or they don't get answered at all? In frustration you ask other friends to pray for you in hope that you may get an answer from G-d soon.

I have given considerable thought about the condition of our people and how many languish in poverty, in situations where they seek for help because they are given false dogmas, put in religious bondage and slavery of the mind and heart.

Many times they make their own lives harder because they have spent so much time in the nations that they just want to live like the gentiles and not Hebrew as they are unaware how to benefit themselves that await them. I know it can be a lonely road at times. Our Abba in the heavens feels our pain while we live in exile He sends the Shekinah to be with us. He longs for us to return back to the contracts that we may receive all the increases and benefits that are only meant for us.

However we pass our life by with this that and the other person who gives us no joy but we think maybe if we carry on suffering things will change for the better but things NEVER change. This book was written to help for a time such as this to better the lives of our people. To empower them with the right petitions to give them benefits and increases in employment, love, marriage and sickness. This will help you break the spells of witchcraft, dealing with jealous people around you and personal anger issues. This will help you deal with demonic presences in your homes. This will show you how to receive a timely answer to all your prayers. I have used these methods for my students all over the world which have proven successful for them and have greatly benefited them.

It takes many generations for a right-ruling priest to be born in our generations. How many generations our people have suffered the scourge of the curses for not obeying the Torah? Many are still suffering. The Most High is going to raise his priests one by one until we get our restoration complete. Rabbi Simon is of the priestly family born to help his people.

The Kohen is meant to be a benefit to the people of Y'sra'el and is one of the person's that has been given the authority to stand between the heavenly court and the earthly realm. Christian clergy has been lying to you for so long that you don't know what is good for you anymore. The Melezkadek priest's job is not to stand between the heaven and earth as you have been wrongly taught, his job is to be a King and serve justice on the earth with the Torah. While the Christian clergy teaches everyone can be a Melezkadek this is not the truth. Only the Kings of Israel can right hold that title, it's not for anyone else.

There is only one everlasting priesthood and that is the Lewitical one. This book has been written by a Lewitical priest of Beyth of Tzadok, its time you reap the benefits so decide wisely. Even if you are a gentile looking to become part of Israel by conversion the opportunity is open to you to obey the Torah and join us.

I want you all to benefit and to receive what rightly belongs to you.

I could have sold this book for \$100 a piece because everything in this manual would forever change your life once you put it in practice but I decided not to do that as my purpose was not that.

However this book is kept at a low price not for \$100, no, not even \$50 but for a price of \$27 only this will forever change the way you think and pray. I am practically giving this away for you to better your lives. The rest is up to you.
